FIFTY SECOND ANNUAL REPORT 2000-2001

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS' REPORT

Board of Directors
Patel Engineering, Ltd.

We have audited the accompanying consolidated balance sheet of Patel Engineering, Ltd., as of March 31, 2001, and the related consolidated statements of operations, stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with United States generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Patel Engineering, Ltd., as of March 31, 2001, and the results of its operations and its cash flows for the year then ended, in conformity with United States generally accepted accounting principles.

Bauerle and Company, P.C. Certified Public Accountants
