The present activities of the Company are Information Technology and Information Technology Enabled Services , facility management services, etc. Over the past few years, such activities are on a diminishing scale and have remained as marginal operational activities of the Company in the year under review and shall continue to remain so in future. Considering this situation, it would be in the interest of the Company and advisable to introduce new Object Clause III (A) (2) in addition to the Main existing Object Clause III (A)(1) of the Memorandum of Association of the Company, subject to the Approval of the Regulatory Authorities as and when received by the Company from time to time.
