Welcome to the *world of PGF!*

Our history

The dream of one man, Shri Parasraj G. Shah, has found fertile ground in Pipalia Kalan, located deep in the interiors of Rajasthan, to grow and thrive for a long time to come.

Established in the year 1979, PG Foils has always had an important presence in Pipalia Kalan, contributing to the development of the area and evolving as Pali district's region with the highest GDP.

Over our long and eventful history during which our founder and promoters transformed Pipalia Kalan from a sleepy desert village into a thriving manufacturing hub, the results have followed in a never-ending journey marked by the courage of the people who to this day make the Company great. Our goals highlight our continuous evolution that defines the spirit of our Company as one that in transforming aluminium has also transformed an entire region.

Our vision

As supply chain members, we strive to be strategic partners of our customers through innovation in aluminium foil packs and flexible packaging. Our success lies in adding to the competence of our customers through innovation in packaging.
