Chairman's Message

Dear Stakeholders,

I thank all of you for the privilege bestowed on me to serve as the Chairman of the Company, since its inception. You are aware that the performance of the Company has been good in terms of the Financial Results.

During the financial year 2008-09, the turnover of the Company registered a growth of 4.89% at Rs. 80.32 Crores as against the turnover of Rs. 76.57 Crores during the previous financial year 2007-08 and the profit after tax was of the order of Rs. 7.86 Crores. The performance of the Company during the financial year 2008-09 is moderate compared to the growth it had achieved in the previous financial year. The factor has been the Global Recession which has affected your Company's performance resulting in its moderate profitability this Financial Year. Your company has been proactive in managing the cost situation and has been able to defend its margin under these extremely unreceptive conditions of the market.

Your Company has explored the possibility of using the grains as raw material for the manufacture of alcohol and has started implementing steps for setting up a 60 KLPD Grain based Alcohol Facility.

Your Company is also contemplating to manufacture Barley Malt Spirit and for setting up of a Bottling Plant.

Your Company continues to strive to keep all the Stakeholders fully satisfied by presenting a transparent Policy, with the best Corporate Governance so that it will continue as a prosperous Organization with all your support.

I take this opportunity to express my gratitude and thanks to the Board of Directors, our Bankers and Financial Institutions, all the Regulatory Authorities, Esteemed Customers, Suppliers, Auditors, Consultants, Business Associates and dear fellow Shareholders. I would also like to sincerely thank the employees of the Company at various levels for their loyalty, dedication and support to realize the goals of the Company and I look forward for persistent support and dedication in the years to come.
