Annual Report
2019-20

Managing Director's Message

Dear Shareholders,

On behalf of the Board of Directors, I am pleased to present our Annual Report for the Financial Year 2019-20. This has been a challenging year due to various reasons such as reliability issues in Plant, Surge in input material price particularly Molasses, unplanned closure of plant during the year end due to Covid19 related lockdowns, other regulatory challenges etc. However, the compliance has been strengthened across the Company in order to set a right platform to operate in future.

Despite the turbulent year, we focused our investments in improving processes, Zero Liquid Discharge (ZLD), environmental compliance, to ensure predictability in operations and reduction of unpredictable stoppages. We have carried out efficiency evaluation on the energy front and the recommendations shall be taken forward and implemented. We have undergone Reliability project during the year and once completed, same will yield better capacity utilization and Efficiency in distillation process.

Our company has immense potential being United Spirits Limited's (USL's) only integrated plant that handles "Grain to Glass" with a clear roadmap for transformation to become the most trusted and respected amongst ENA, Malt Spirit and IML manufacturing company in India.

I am able to draw strength from my past experience which has provided me immense insights into the business of the Company apart from the experience gained during the transformation journey into Diageo's Global practices, which has helped in integrating the global best business practices with the company's manufacturing setup.

This is a validation of our Company's transformation journey with a clear focus on following six Important Priorities:

- Safety Transformation
- Compliance
- Organisation and People
- Manufacturing Excellence
- Sustainability
- Operation Reliability and consistency.

It is also a testimony to the strong capabilities we have built over the years, as well as the quality of talent now in the Company. Despite several regulatory challenges which impacted the industry last year, we posted improvement in our performance, underlined by growth in external net sales after adjusting for operating model changes. We delivered an enhancement of Gross Margin which was made possible through price advantage from raw material cost, mitigation of risks from the various environmental and external interventions through policy advocacy, a relentless focus on productivity and realization of headline pricing.

Strengthening the operations

Our performance has been driven with focus on the four Key Operational areas – production of Extra Neutral Alcohol (ENA) from Grain, ENA from Molasses, production of best in Class Malt Spirit and largescale inhouse maturation. The Maturation process is constantly monitored, and the Spirit was rated as the finest in Industry by Diageo India's Technical centre and shall be game changer for future growth including manufacturing Indian Made Liquor (IML) Brands for United Spirits Limited.

Parallely, we made further progress on our 'fit for purpose' operating model in the above areas of operation. On time seasonal purchase, taking competitive advantage by ensuring consistent quality of ENA.

Our margins are heavily dependent on the Government policies which are more oriented towards increasing the revenue of the Government, change in climatic conditions especially monsoon impact, subsidy realization, depreciation and interest on borrowings. In light of the above, I am glad to announce that with support of United Spirits Limited and Diageo, we are now creating a roadmap to minimize the impact, enable sustainability and reduce dependency on the above by increasing operational stability and efficiencies as a key towards consistent earnings.

Our role in society

We constantly endeavour to reduce the harm caused by irresponsible consumption of alcohol and enable the people to make a positive contribution to society. I am pleased to inform that this year we have seen more engagements from local communities, government agencies, traffic police, enforcement agencies, media and reputed not-for-profit organizations on major initiatives taken by the Company towards road safety, provision of safe drinking water during summer, repairing of access roads, desilting of rivers, teaching skills to women and providing bore wells and several initiatives to stand by society during Covid pandemic.

Your Company is supported by United Spirits Limited in its commitment to minimising the environmental impact across its operations. We are proud of the progress we are making on Key Performance Indicators (KPI) towards our environmental initiatives.

Building a talented and inclusive workplace

Our commitment to enable employees to 'be the best they can be' as a core principle. At the core of our business strategy we continue to invest in training, exposing people to new technologies and in process improvement methodologies. We have created a roadmap and are in the process of launching policies, competitive reward programmes, coaching and wellbeing initiatives for empowering the employees. Indeed, our achievements in this challenging year bear testimony to the quality of talent in the Company, our growing reputation as an employer, and our focus on leadership development.

I also take the opportunity to welcome our new independent director Ms. Srivathsala into the Board, which I believe would strengthen the Board functioning and get multiple perspective of any issue.

I would like to conclude by saying that our core aim is to bring in a significant change in the general perspective of the society towards spirit manufacturing sector and to leave a legacy of a business which will sustain on the core foundations of ethical standards and sustainability. We are ready to embrace the opportunities of tomorrow and to map the next phase of our journey.

On behalf of the Board, I would like to extend our deepest appreciation to the management team for their dedication and commitment in driving your Company forward. Our sincere appreciation also goes to all employees who relentlessly strived against odds and for playing an important role in ensuring that your Company continues to be one of the leading Distillery in Maharashtra. We would also like to express our gratitude to all stakeholders, partners and customers for their support to your Company. Looking forward to your continued support as we step into challenging times ahead
