Notes:

- a) Previous year figures under different heads have been regrouped to the extent necessary.

3. DIVIDEND:

In view of accumulated losses, the Directors regret their inability to recommend any dividend.

4. TRANSFER TO RESERVES:

The profit in the standalone results have been carried over to next year in view of accumulated losses of the earlier years. Therefore, no amount could be transferred to General Reserve Account.

5. STANDALONE OPERATIONS:

The operational results for the year under review have improved. The efforts of the company to correct the situation, proved meaningful but because of the losses which have to be absorbed due to the correction, the difference was marginal.

The disposal of non-profitable businesses and non-core assets reduced the operational and fixed expenses, reduced the debt burden and made the working capital more relevant to the remaining businesses. The Company is now focused on its core business of manufacturing technical agrochemicals.

Better operations due to improved raw material efficiencies, implementation of cost saving measures and better working capital management in the Agro Chemicals Division have nurtured the Company back to a positive cash flow situation.
