## Chairman's Message

**Dear Shareholders,**

**Greetings!!**

It is my pleasure to have communication with you through 44th Annual Report of the Company.

At the outset, I would like to draw your attention to the unprecedented situation due to COVID-19 pandemic. There is an overall pessimism among the people all over the world due to wide spread of infection and consequently the effect on economy. The Governments of all countries have taken various steps to control this pandemic by imposing nationwide lockdown, restricting movement of people, enforcing social distancing and use of masks, etc. As no specific treatment / vaccine is still available, the prevention and adherence to the preventive norms suggested by the World Health Organisation (WHO) and the respective Governments are the only way out of survival. I on behalf of the Company and myself wish all the shareholders and others associated with the Company, a safe and healthy time. As a good citizen, one should follow all the precautions to remain safe and healthy. In view of this situation, we are forced to hold a virtual Annual General Meeting (AGM) through Audio / Video Conferencing instead of physical presence of the esteemed shareholders.

The world has faced the slowest growth rate due to COVID-19 pandemic and deterioration in US-China trade relations. The measures taken to control the spread of Corona virus saved many lives but dealt a huge blow to economic activities. The impact of lockdown will be felt for a long time. Our country also implemented strictest nationwide lockdowns to keep the infection under control. As a result, mass unemployment in the lower income segment, staff downsizing across sectors, restriction on free movement of goods and people, disrupted supply chains nearly wiped out the demand for non-essential goods and services. To boost the demand and to revive the economy, the Government of India has taken various steps like relaxation in foreign direct investments norms & upfront capital infusion in public sector banks to alleviate liquidity concerns, reduced corporate tax rates to revive private investments. These measures taken by the Government are even looking meager due to huge dent in the economic activities and shown slow movements in the revival of the economy.

Your Company being in Agrochemicals sector had slight advantage of being covered under essential goods and allowed to resume operations shortly after the initial phase of lockdown. Yet we have to be very cautious at the manufacturing sites and have to adhere all safety measures for the safety and health of workers. Your

Company is a manufacturer of some important Agro Chemicals and Specialty Chemicals, therefore, may have little impact, provided there is no disturbance in the supply of raw materials and availability of required manpower. There is a regular flow of orders which has boosted the morale. However, even in all these circumstances, the Company has to remain vigilant to keep the operations of the plant at economical level despite various restrictions and precautionary measures advised by the Government. It looks that the effect due to international factors and the loss in the initial lockdown period will soon be over and we can hope for the improvement in the time to come.

The operational working for the financial year 2019-20 along with other related information, statutory reports are available in the Annual Report. On the operational front you will find that working results during the year was not as promising as last year. The main reason for the 13% reduced sale and less PBT by 16% in the year under review was less off take of products in the last quarter of the financial year 2019-20 in view of disturbances in the international market due to COVID-19. In addition, there was reduction in the sale price of few products and booking of some extra ordinary expenses during the year.

In spite of reduced profit before tax of last year, the Board of Directors decided to recommend the dividend of 15% i.e. ₹1.50 per equity share for the financial year 2019-20 which is same as of last year.

I am happy to share that as usual the Agro Chemicals Division, Derabassi has the highest sales turnover of 68%, Specialty Chemicals plant, Lalru 22% and Industrial Chemicals Division, Pune 7% of the total revenue. In addition to the direct sales, both Derabassi and Lalru Units have undertaken toll manufacturing, when and wherever available to augment its revenue generation. The consolidated revenue of the Company during the year under review was ₹ 563 crore with a PBT of ₹ 22 crore against revenue of ₹650 crore and PBT of ₹29 crore of previous year. The Company has one wholly owned Subsidiary Company, SD Agchem and sells only products supplied by the holding Company.

The rehabilitation of the plant which was damaged in the fire last year is in full swing and expected to be in

operation shortly. The delay in setting up the plant was due to stoppage of work for around four months due to COVID - 19. Final insurance claim is under process at the level of the Surveyor and the Insurance Company. As informed earlier, partial claim amount has received.

As per the policy, the Company will continue to curtail expenses, wherever possible and would continue to take up toll manufacturing of MNC of various products as per their requirement. The Company has been slowly repaying its debts taken from the Promoter and other Companies to pay One Time Settlement (OTS) amount to the banks.

I am also happy to inform that as per the target fixed last year, the IT infrastructure has been upgraded in the Company as per the requirement. The implementation of ERP-SAP B1 HANA and HRMS-4 are going to play important role in the growth of the Company. Simultaneously, the required upgradation of hardware and networking domain has also taken place.

The efforts of all the employees to work with full sincerity and with enthusiasm in this difficult time are laudable. The Company could perform in this critical time only due to the positive approach and sincerity of all employees. The Company has taken all preventive checks and procedure for the safety of the employees. The Board of Directors placed on record a deep sense of gratitude and appreciation for the contribution and whole hearted support of the employees. The guidance, confidence and support of Shri Shalil Shroff, Managing Director to his team is the key factor of success. The team is fully conscious of keeping in mind the vision given by our mentor late Shri S.D. Shroff to run the Company.

My sincere appreciation and thanks to all the stakeholders viz. Banks, Suppliers, Customers, who have given support to the Company to stage a comeback.

Last, but not the least, sincere thanks to all of you (the shareholders) for keeping faith in the Board of Directors and the management in their policies and efforts.

With best wishes,

**Mukesh D Patel**
