Item No. 5

The Equity Shares of the Company are presently listed on Bombay Stock Exchange Limited (BSE), National Stock Exchange of India Limited (NSE) and the Madras Stock Exchange Limited (MSE).

However, there has been no trading of equity shares of the Company at MSE for last few years, which does not justify payment of Listing Fees and other charges. Also, the investors or the shareholders of the Company do not get any additional benefit by continuing the listing at MSE.

Further, the Company's shares are listed and traded on BSE and NSE, the exchanges having nationwide trading terminals and thus the investors and the shareholders of the Company have access to online dealings in the Company's securities across the Country. Hence, delisting from MSE will not have any adverse effect on the shareholders and investors of the Company.

Further, the proposed delisting from MSE will also entail an annual cost saving of approx. Rs. 2,00,000/- payable to MSE as annual listing fees and other charges.

As per the SEBI Delisting Guidelines, the Company is permitted to delist from other stock exchanges, if its shares continue to be listed at BSE and/or NSE.

Accordingly, the Board of Directors of the Company has proposed to delist from MSE, subject to your approval by way of a special resolution.

The Board recommends the resolution for your approval.

The financial year 2007-08 of the Company was for a period of 6 months commencing on October 01, 2007 and ended on March 31, 2008. Further, the consolidated financials for the year ended March 31, 2008, comprises of the financial results of the Company, its subsidiaries, including those of erstwhile PVP Ventures Private Limited (now stand merged with the Company). Hence, the figures for the current financial are not comparable with those of the previous financial year.

Review of Operations

During the period, the Company was involved into consolidation of its corporate structure and other real estate assets and merged erstwhile PVP Ventures Private Limited (PVP Ventures) with the Company. Consequently real estate assets owned by PVP Ventures were consolidated under one umbrella. We also focused on strengthening our operations and exploring other opportunities.

Future Outlook

The Company is one of the fastest growing Urban Infrastructure organisations in the Country with interests in Realty, Energy and Infrastructure. We estimate our current land bank in excess of 2000 Acres in strategic locations across South India and also expect to develop sizable assets in energy and infrastructure sectors.

In May 2008, the Company entered into a Joint Development Agreement (JDA) with a consortium of Unitech Limited and Arihant Foundations and Housing Limited ("the Consortium") to develop an integrated township at its Perambur Property at Chennai ("the Project"). The JDA is on a revenue sharing basis of 43:57 between the Company and the Consortium.

Spread over an area of 70 Acres, the Project will be developed by the Consortium. The Project will be an integrated township of cutting edge designs from global advisors entailing residential, supporting retail and commercial space. The Project would be one of the largest developments of its kind in Chennai with approx 4000 units with a total built up area in excess of 7.5 Million Square Feet. The Project is expected to complete within a period of 7 years and would generate an estimated cash flow of Rs. 2000 Crores for the Company during this period.

The Company has also contemplated to merge M/s. Malaxmi Energy Ventures (India) Private Limited (MEV) by way of a Scheme of Amalgamation cum Arrangement. MEV is an organisation focusing on power generation with a management team of proven track record in conceptualizing and executing large scale power projects. Under the Scheme, it is proposed that PVP Malaxmi Energy Ventures Private Limited, a wholly owned subsidiary of the Company, would undertake the energy projects/ investments of MEV as a separate vertical.

With India's GDP expected to grow at 8% for the year 2008-09, there are several opportunities for the Company to explore in real estate, energy, and infrastructure development. We are hopeful that in coming few years the Company would be able to achieve a niche in the urban infrastructure sector.

Proposed merger of Malaxmi Energy Ventures (India) Private Limited

The Company has contemplated to merge Malaxmi Energy Ventures (India) Private Limited ("Malaxmi") by way of a Scheme of Amalgamation cum Arrangement. This merger would enable the Company to foray into energy sector.

The Independent Valuers and Lawyers were appointed to structure the transaction and to recommend the share exchange ratio. Once the reports of these Advisors are considered and accepted by the Board, the shareholders shall be informed appropriately.

Dividend

In view of the losses, no dividend has been recommended by the Board for the period under review.
