CHAIRMAN'S SPEECH

Dear Shareholders,

The year 2015-16 witnessed growth prospects in the real estate sector. Improved market fundamentals, policy reforms and liberalisation of FDI into realty sector and strengthening of information in public domain along with digitisation of land records and opening up of Infrastructural Investment Trusts (INVTs) and Real Estate Investment Trusts (REITs) were main contributors to the prospects. The much needed regulatory bill Real Estate (Regulation and Development) Act, 2016 was passed by both the Honorable Houses during March 2016 and has been made effective May 1, 2016. The bill will lead to enhanced activity in the sector, leading to more housing units supplied to the market and will bring in the much-needed confidence to infuse more investment and, in turn, stabilise house prices. Additionally, the Indian Government exhibited its continued focus and thrust on the housing sector through several initiatives, which include housing for all; 100 smart cities and tax benefits on small housing units.

During 2015 few cities like Mumbai, Hyderabad and Bangalore witnessed growth in sales and less launches lowering the inventory. Developers' initiatives like offering attractive schemes and deal terms, coupled with lowering of interest rates by the Reserve Bank of India (RBI), have attracted the customers. 2016 may well bring a new dawn to the industry with a more regulated and organized industry and lead to an upward growth trajectory.

During the financial year under review, the Company registered a total revenue of Rs. 2752.40 Lakhs on Standalone basis as compared to the previous year's total revenue of Rs. 5380.16 Lakhs. Further, total revenue on consolidated basis is Rs. 15714.67 Lakhs as compared to the previous year's total revenue of Rs. 6672.68 lakhs. The Standalone PAT (Profit after Tax) stood at Rs. 106.22 lakhs as against Rs. 160.53 lakhs in the year 2014-15 and the Consolidated Loss stood at (Rs. 764.71 lakhs) as against (Rs. 2540.85 lakhs) in the previous year. The decline in the total Revenue and net profit is attributable to the slow down persisting in the real estate market for the last few years.

Your Company has its ongoing project in Chennai. During Nov-Dec.2015 the city witnessed relentless rainfall and the worst since 100 years causing huge losses to the businesses and the worst hit was Real Estate. The Chennai Property Market faced wastage of hundreds of tonnes of building materials such as cement and sand at construction sites and losses due to inordinate project delays. The Chennai property market was demonstrating renewed interest from homebuyers who were fence sitting for over a year since September, but rains during Nov-Dec 2015 affected it and lead to postponing their decisions. This has attributed to the lower sales for the Company during 2015-16.

However, the company is optimistic that the sales at its North Town project will register growth in the ensuing years.

RETAIL: Your Company has forayed into the retail consumer services industry through its wholly owned subsidiary M/s Safetrunk Services Private Limited. The Company is into Safe Deposit Lockers Business under the brand name "SAFE TRUNK" with exclusive safe deposit locker offering for retail customers with state of the art security systems, 24x7 operational availability and white glove service standards

ENTERTAINMENT: The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides, with an expected growth at a CAGR of 14.3 per cent to Rs 2260 billion by 2020, predicted the KPMG-FICCI Media and Entertainment industry report 2016.

During the last year, the Government of India has supported Media and Entertainment industry's growth by taking various initiatives such as digitising the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74 per cent to 100 per cent in cable and DTH satellite platforms. PVP Ventures plans to foray into this industry so as to seize the emerging opportunities available in this sector leading to the value addition in the company.

With the expected growth and prospects in the three industries viz; Real Estate, Retail and Entertainment and the Company's diversified business verticals in these industries, with a strategy of targeted growth, PVP Ventures foresee a progressive future and remarkable performance for itself in the years to come.

Sincerely yours,

Prasad V. Potluri
Chairman and Managing Director
