Auditors' Report & Directors' Comments on the Qualification made by statutory auditors:

The Auditors' Report for the financial year 2016-17 is a "qualified report" for the standalone financial statements and "Un-qualified report" for the Consolidated financial statements.

Auditors Qualification:

"As stated in Note No: 26.8 to the Standalone Ind AS Financial Statements, in relation to investment in few subsidiary companies net off provision amounting to Rs.56,005.15 Lakhs. Considering the market value of the assets and expected cash flows from the business of these subsidiary companies management considers these investments as good and recoverable and the provision to the extent already made is adequate. However the erosion in the net worth of these subsidiary companies, their dependence on the holding company to continue as a going concern, absence of cash flows, delay in commencement of projects and other related factors indicate the existence of material uncertainty in recoverability of net carrying value of investments. Hence we were unable to determine whether any adjustments to these net carrying amounts are necessary and additional provision for diminution, if any, to be made are not quantifiable at this point of time."

Directors' Comments on the above qualification

In this regard the Board draws the attention of the current status of the North Town Project and the DMA signed for the 20 Acre Parcel, where in the bifurcated plots of various sizes, will bring sufficient revenue in the coming years. Hence, the Board is of the view that considering the market value of the assets and expected cash flows from the business, the provision already made are adequate.
