MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MEDIA AND ENTERTAINMENT INDUSTRY OVERVIEW

The Media & Entertainment Industry in India is expected to reach Rs 1,457 billion by 2016 as per the FICCI-KPMG report. The industry achieved a growth of 12% in 2011 and is projected to grow at a CAGR of 15 percent over the next five years. The spends on leisure and entertainment are greater than the economic growth, this is a result of favourable demographics and increasing disposable incomes. The Indian Media & Entertainment (M&E) sector is growing rapidly, especially with new age technology and the rapid rise of digital media.

INDIA'S FILM INDUSTRY

According to India Brand Equity Foundation, the Indian media and entertainment (M&E) industry has massive reach. The industry is largely driven by increased digitisation, growth of regional media, robust film industry and emergence of new media for content delivery. The Indian M&E industry is projected to grow 11.8 per cent to clock revenues worth Rs 91,700 crore (US\$ 16 billion) in 2013, according to an industry report. While conventional media such as television (TV), print and radio continue to be dominant segments, animation, visual effects, films and music are also posting strong progress owing to content and the benefits of digitisation. Moreover, the Government's drive towards digitalisation and addressability for cable television by 2014 is expected to provide a boost to direct-to-home (DTH) and digital cable growth. In a nutshell, alignment of entertainment, information and telecommunication is increasingly affecting India's overall M&E industry. Launch of more advanced media devices over the last decade has facilitated access of the same content on a variety of media platforms. This is helping in emergence of new business models and revenue streams, not only for content providers, but for a variety of new players becoming a part of the new media ecosystem. With all these factors well-in-place, the M&E sector certainly is marching towards new horizons of growth.

- The Indian M&E industry grew from Rs 728 billion (US\$ 13.6 billion) in 2011 to Rs 820 billion (US\$ 14.18 billion) in 2012; marking a growth of 12.6 per cent.
- Furthermore, television continued to be a dominant segment in the M&E industry while new media sectors (like animation/VFX) and Films and Music segments recorded strong growth. Radio is expected to witness great emancipation, post the roll-out of Phase 3 licensing, at a compounded annual growth rate (CAGR) of 16.6 per cent over 2012-17.
- India's M&E industry is expected to get double in size to Rs.1.66 trillion (US\$ 28.72 billion) by 2017, from Rs.82,000 crore (US\$ 14.19 billion) in 2012, which would be a compounded annual growth rate (CAGR) of 15.2 per cent, according to the Indian Media and Entertainment Industry Report 2013 by KPMG with an industry body.

COMPANY'S PERFORMANCE

Business Performance Review

During the year under review, the Company has reviewed all its business divisions and hope that your company's performance is encouraging in the years to come.

Out look for the current year

Your Company has reviewed all its business divisions and, to strengthen its stand in the market, the company has been concentrating in activities like multimedia training, providing the special effects (VFX) to the feature films of all languages and multi-starred Film Production, tie ups with experts in the market to overcome the paucity of the finance.

PRINCIPAL RISKS AND UNCERTAINTIES

Piracy: Piracy of the produced content, under the purview of intellectual property rights, can adversely affect revenues and profitability.

Mitigation: Industry members have set up an Antipiracy Society (AACT) to fight the menace.

New Piracy Laws were introduced in India to curb the piracy and to make special provisions for suppression of piracy and to provide for punishment for the offence of piracy and for matters connected therewith or incidental thereto, which will be helpful for the film industry.

REPORT ON CORPORATE GOVERNANCE

Padmalaya Telefilms Limited is committed to the standards of corporate governance in all activities.

Pursuant to Clause 49 of the Listing Agreement, your directors present below a detailed Report on Corporate Governance.

1. Company's Philosophy on code of Governance

Your company believes in providing highest transparency and ethical value in Corporate Governance. Your Company also believes in taking into confidence all the stakeholders viz., Shareholders, Employees, Creditors, Customers etc. Your company is committed to take the torch of Corporate Governance forward, so that every stakeholder of the company synchronise and synergise their efforts in their growth of their company.
