The constitutional amendment for implementation of revolutionary Goods and Services Tax, w.e.f. July 01, 2017, created a great deal of confusion in the trade, which dented the sales in first quarter though the Company recovered quickly to normalize sales during the two subsequent quarters.

However, GST rates on Dry batteries and torches were reduced from 28% to 18% w.e.f. November, 2017, which once again disturbed the trade and largely restricted the sales in the last quarter, as the market witnessed price corrections, which prompted the wholesale market in particular to reduce their stocking, envisaging MRP corrections and downwards price points.

Under such adverse challenging situations faced during the year, your Company registered net sales amount of ₹ 21083.24 lakhs as against ₹ 24132.70 lakhs of the previous year.

The profit before tax in the year stood at ₹ 1367.87 lakhs registering a growth of 38% as against ₹ 990.17 lakhs registered in the last year.

Batteries and Flashlights

The overall battery industry in the organized sector remained unpredictable, from the beginning of the fiscal year due to implementation of GST. The industry was further impacted due to further reduction in GST in November, 2017, keeping the markets sluggish due to uncertainty in pricing strategies and change in MRP of batteries, in line to the government's requirement to pass on the GST benefits to the consumer.
