CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's philosophy of corporate governance stems from its belief that all action and strategic plans should be consistent with the welfare of all stakeholders, including shareholders. The Company views Corporate Governance, in its widest sense, almost like a trusteeship. The aim of the Corporate Governance is not merely a matter of creating checks and balances, but it is about creating an outperforming organization.

A good governance process aims to achieve this by providing long term visibility of its business ensuring effective relationship with stakeholders, establishing systems that help the Company in understanding risk appetite and monitoring risk at every stage of the Corporate's evolution process. The Company has followed principles of good corporate governance through accountability, transparency and dissemination of appropriate information to stakeholders. The Company's mission is to constantly review its systems and procedures to achieve the highest level of corporate governance.
