Explanatory Statement Pursuant to Section 173 (2) of the Companies Act, 1956 in respect of item No.5 is annexed hereto.

As per the provisions of Section 293 (1) (d) of the Companies Act, 1956, the Board of Directors of a Public Company can not borrow money (a part from temporary loans obtained from the Company's Bankers in the ordinary course of business) in excess of the Company's Paid-up Capital and Free Reserves (that is reserves not set apart for any specific purpose) without the consent of the shareholders in the General Meeting. The shareholders of the Company at the Sixth Annual General Meeting held on 18th November, 1995 authorised the Board of Directors to borrow upto Rs.15 Crores.

As the Company's turnovers have increased and operations have been stepped up, there will be increased requirement for capital and working capital requirements and the Company may, therefore, avail further loans from the Banks/Financial Institutions or any other Lenders for business purposes. Hence, it is considered necessary to enhance the said borrowing limits of the Board of Directors to Rs.25 Crores.
