MARKETING

A sustained effort to maintain and improve the international quality standards of your Company's products has resulted in satisfactory demand. This has helped in facing price competition in both domestic and international markets and also achieved increased sales. With sustained efforts, we expect further improvements in our performance this current year. The Company will continue to seek new markets while consolidating its hold over the existing customers.

RESEARCH AND DEVELOPMENT

The R & D division of the Company, located at its plant, constantly endeavors to innovate and change the product mix/ process for creating higher value items at lower costs. The Company's full-fledged R&D Department makes constant efforts to widen its range of new generation masterbatches.

The R&D division of the company has testing equipments from world leaders. These equipments are used for dispersion, filterability, mechanical, rheological, thermal, optical & colorist properties of incoming raw materials and

outgoing furnished products. Tests are carried out conforming to internationally accepted test methods.

QUALITY INITIATIVES

Your Company is committed to produce and delivering zero-defect Masterbatches and also to achieve customer satisfaction on a continuous basis by implementing and meeting the ISO 9001 : 2008 QMS requirements. Constant interaction with Customers, Optimum utilization of resources and Training & Educating Employees.

STAR EXPORT HOUSE STATUS AND CRISIL RATING

Sustained growth in exports has enabled the Company to maintain its Star Export House Status under the Foreign Trade Policy 2009-2014.

The Company's Credit Rating is A / Stable / P1 assigned by CRISIL for its working capital borrowings which signifies strong degree of safety regarding timely payment.

DIRECTORS

Shri V. K. Fogla, retires by rotation at the ensuing Annual General Meeting pursuant to the provisions of the Companies Act, 1956 and Articles of Association of the Company.

CORPORATE GOVERNANCE

Your Company has been actively practicing the principles of good corporate governance over the years. The Board of Directors supports the broad principles of corporate governance. In addition to the basic governance issues, the Board lays strong emphasis on transparency, accountability and integrity.

The report on Corporate Governance (in accordance with 'Clause 49 of the Listing Agreements with the Stock Exchanges), the Auditors' certificate on compliance by the Company and the Management Discussion & Analysis, have all been included in the Annual Report.

COMPLIANCE WITH THE CODE OF CONDUCT

The Company had put in place a Code of Conduct for its Board Members and Senior Management Personnel from 23rd January, 2006 and has reaffirmed the same on 21st January, 2011. It is also available on the website of the Company. Declarations on compliance with the Code of Conduct have been received from all concerned. A certificate annexed to this effect forms a part of this Report.

ENVIRONMENT, SAFETY, ENERGY CONSERVATION, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Your Company is continuously looking for new ways to preserve the environment and to manage resources responsibly. Your company adopts clean technologies and processes that combine both economic progress and environment sustainability. The company has taken a number of green initiatives including waste optimization, water conservation and complying with applicable laws and regulations.

The Company has Safety Committees which regularly monitor compliance with the Company's Health & Safety policy. Additional steps have been taken to install equipments such as additional fire extinguishers of different classes, fume extraction system, de-dusting stations etc. The company attaches utmost importance to safety. The only acceptable standard of safety performance for your company is "zero accidents". Safety education and training is being imparted to everyone on a regular basis.

Several initiatives were continued as part of energy saving measures. The drive for energy conservation is always a key priority and your Company continuously strives to achieve this through process improvements and through enhancement of equipment capabilities. Particulars relating to Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo, as required under section 217(1)(e) of the Companies Act 1956, are enclosed as a part of this report.

RISK AND INTERNAL ADEQUACY

Your Company has a low debt-equity ratio and is well placed to take care of its borrowings. Foreign Exchange transactions are largely covered to the extent of exposure otherwise not covered by natural hedging. Your Company is progressively moving towards a "net foreign-exchange earner" status.

The Company's internal control systems are adequate considering the size of the Company and are routinely tested and certified by our statutory as well as internal auditors. Significant audit observations and follow up actions thereon are reported to the Audit Committee.
