Other Comprehensive Income	(4.14)	(4.09)
Total Comprehensive Income	114.05	535.13

PERFORMANCE

During the year under review, the Company achieved Net Sales of ₹ 2974 crores as against ₹ 3588 crores in the previous year. The EBITDA for the year was ₹ 356 crores in comparison to ₹ 794 crores in the previous year. After providing for interest, depreciation and tax, the profit after tax of the Company was ₹ 114 crores as against ₹ 535 crores in the previous year, which resulted in EPS of ₹ 6.97 in the current year as against ₹ 33.41 in the previous year.

OPERATIONAL REVIEW

The performance of the Company remained stable during the year under review. The new Sponge Iron Rotary kiln having capacity of 2 lacs tonnes per annum alongwith 15 MW power co-generation plant, started commercial production during the year under review as a consequent of which, the Sponge Iron division achieved its highest ever production volume during the year, up by around 10% over FY2019. With the commissioning of this kiln, the Company is now self reliant with respect to its requirement of sponge iron for steel making. The Company also expanded its capacity in Steel Melting Shop by commissioning 4 nos. new energy efficient Induction Furnaces during the year. The enhanced capacity now stands at 1.176 million tonnes per annum. The

performance of the Company in the fourth quarter was impacted by the emergence of Covid-19 pandemic and the nation wide lockdown announced by the Government of India. The Company had to completely suspend its manufacturing operations in the later part of March, 2020. However with gradual lifting of restrictions, the Company recommenced its operations in the last week of April, 2020 and has gradually ramped up the capacity utilisations of the plant to pre Covid levels. Further, the Company has commenced the mining operations at its Captive Iron Ore Mine at Sirkaguttu in the State of Odisha and commercial extraction of the Iron Ore has started during the fourth quarter of the financial year. As regards Coal, during the year, the Company further secured additional long-term Coal linkage of 1.69 lacs MT per annum from Coal India Limited for its newly installed 6th Sponge Iron Rotary Kiln. The total Coal linkage as of now stands at 17.04 lacs tonnes per annum.

FUTURE PROSPECTS

After emerging as the world's second largest steel producer in the year 2019, the Indian steel industry severely suffered in the last quarter of the financial year 2020 on account of the outbreak of the COVID-19 pandemic, which has adversely affected almost all the sectors globally. To support the economy, the Government of India has already unleashed policy stimulus equivalent to INR 20 trillion. It is expected that by the end of the current year, the Indian economy would be back on track.

In the current challenging scenario, your Company foresees a good opportunity for growth in its core area of operations owing to strong manufacturing base, developed infrastructure, sufficient land bank, environmental clearances, strong financials and long term raw material tie ups.

DIVIDEND

After careful assessment of the available profit during the financial year ended 31st March, 2020, your Directors have not recommended any dividend for the financial year ended 31st March, 2020.

ENVIRONMENT

Since inception, the Company has striven to embed environmental considerations in business decisions & continuous focus on its approach by their Environmental Management System, which conforms to ISO:14001.
