Performance of the Company

The year under review was the year of competition for your Company and other manufacturers in the plastics moulded furniture industry. The profit margin of the Company was under pressure due to increase in raw material prices and reduction in sales realisation.

In spite of adverse market conditions, your company has managed a net profit of Rs. 584.87 Lacs (11 %), reasonably good margin in the Corporate Sector.

The Company achieved a production of 7,613 tons as compared to 6,854 tons in the previous year, reflecting a growth of 11%.

The Company's new unit at Daman started commercial production on December 30, 1999. The installed capacity of the unit increased to 1800 tpa by the end of March 2000. The unit will be enjoying income tax holiday for five years and sales tax holiday for ten years. the benefits out of the unit will be reflected in the performance during financial year 2000-01.

Exports

A major mile-stone achieved by the Company was winning of "Top Export Award" from Plexconcil for the three consecutive years from 1996-97 to 1998-99. The Company exported moulded furniture worth Rs. 421 lacs during 1999-2000.

Dividend

Taking into account the profit of Rs. 585 lacs for the year and current prospects, your Directors recommend dividend @ 20 % on the equity shares. This would involve a distribution of Rs.220.01lacs besides a dividend tax of Rs.24.20 lacs payable by the Company.

Particulars as per Section 217 of the Companies Act, 1956.

The Company does not have any employee drawing remuneration as stipulated under Section 217(2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules 1975.
