## **COMPANY PROFILE:**

RJ Biotech Limited (RJ Biotech), incorporated in 2005 is an Aurangabad based agri-biotechnology company focusing on crop genetics and developing superior hybrids. Presently, the company is engaged in research, crop improvement, production and marketing of superior quality hybrid seeds in 6 field crops and 15 vegetable crops.

RJ Biotech promote various agro related sectors like poultry breeding, granulated mixed fertilizers, water soluble fertilizers, neem based natural pesticides, organic manure etc. It is one of the group companies of RJ Group, an Aurangabad based business conglomerate.

The company is being driven by strong research backed growth strategy. It has over 45 acres of farm area for R&D activity and an array of in-house capabilities and state-of-the art R&D infrastructure facilities which include Grow-out Test (GoT) centers, open poly houses, control poly houses, screen houses and cold chamber for germplasm storage etc. At present, the company has a collection of more than 2700 varieties of germplasm in various crops.

A key element of production infrastructure is tie-ups with production farmers. RJ Biotech has access to over 2500 seed growers and around 5000 acres of production area through its 30 organizers. It also has two processing plants with aggregate capacity of 45000 MT per annum, three product testing locations and has a storage facility of more than 40,000 square feet.

Currently, the company has operations in 07 states through strong network of distributors and dealers. It is focusing on building long-standing relationships with major distributors who focus on providing better services to the grower.

RJ Biotech has about 110 employees out of which over 50% (55 employees) are under the sales and marketing function to support future expansion plans. Since seed marketing is a seasonal business, the marketing staff works in close connection with channel partners and end users for disseminating the new agriculture technology as well as researching the market for future trends and demand estimation.

The company is committed to inclusive growth strategy i.e. achieve rapid and sustainable growth through continued emphasis on R&D, creation of production & processing infrastructure and marketing network.
