DIVIDEND

In view of Loss, Your Directors do not recommend any dividend for the financial year ended 31st March 2008.

OPERATIONS

The Company is concentrating on forex business and to some extent in securities trading activities, and the company is making only marginal profits from the above business, due to cutthroat competition in the market.

The Forex industry has seen many changes and revisions over the past few years and specifically so in the past one year. Foreign exchange quotas for travel abroad have been relaxed. The industry however still requires government support and streamlining. The recent developments in the Stock markets would appear to have slightly dampened the earlier buoyancy and optimism in the economy.

OUTLOOK

Your company has found a new avenue for expansion of other segments. The need of the hour is to leverage technology to cover the entire length and breadth of the existing market by offering a delightful service to the customers. Your Company has to differentiate its service with the help of technology and human capital. Against this backdrop, your company has been marching ahead to face the competition and improve its market share.

DIRECTORS
