# Managing Director's Letter

Dear Shareholders,

I hope this letter finds you in good health.

Through these tough times of global pandemic, we have seen a radical change affecting and altering every aspect of our lifestyle with some never seen before concepts and dawn of a new post-covid era.

Our economy too has undergone economic slowdown but has recovered rapidly after second half of the financial year with lifting up of lockdown restrictions and Covid-19 vaccination drive across the country by the government which gave a much-needed boost to the economy and is clearly represented by growth of 8.7% in GDP as compared contraction by 6.6% in the previous fiscal year.

In these Challenging times, I am truly proud of how Rich Universe Network Limited employees and staff seamlessly worked together in harmony through incredibly long hours to navigate through this crisis. It helped the management in maintain the business in these difficult times and creating a strong platform for the post COVID-19 world.

After a slow start in 2021 as the second wave hit the country, by September the stock market started to climb back along with support by the government to industries in distress by giving loans to get them back in action.

However, the road ahead is still not clear considering the Omicron variant and the ongoing Ukraine-Russian War which may affect the financial market globally yet we are doing our best to offset any impact it may have on our organization.

I would like to take this opportunity to thank everyone associated with the company. and wish to thank everyone for their continued support and putting their trust in us.

Wishing you all very best

SD/-

Shashwat Agarwal  
(Managing Director)
