Leap beyond the horizon

Radico Khaitan Limited has made its mark and stands tall amongst the key players of the Indian alcobev industry today. The company has been able to achieve outstanding progress and has established itself as a leading global organization on a global scale.

In 1998, the company entered the IMFL segment. The zest to innovate enabled the company to explore imminent business opportunities in the IMFL segment. The results achieved have been truly phenomenal and lead to its expansion into newer geographies.

While expanding its product portfolio and presence in the Indian market, Radico Khaitan also continued fostering global ties. The company achieved a milestone in 2002, after scoring a successful collaboration for importing, distributing and marketing of Carlo Rossi-The no.1 bottled table wine brand in the world from the house of Ernest & Julio Gallo, California, the largest family owned winery in the world.

The company gained strength from the grand success of its products in the Indian market, which became a core support system that triggered the company's global expansion. Marked by a million case success within the first year of its launch - 8PM was the first brand launched by Radico Khaitan. The company took the next big step with the launch of 'Magic Moments' vodka in 2005, and saw great success. The "premiumisation" strategy made the brand even more prominent and thus, Radico Khaitan expanded its product portfolio in the premium category with flavoured versions of Magic Moments vodka called 'Magic Moments Remix', Morpheus Brandy, M2 Verve Vodka, M2 Verve flavoured vodka and After Dark.

Quality and innovation being the prime driving force, has always lead the company to come up with unique and tasteful products. Radico Khaitan launched its first premium brand 'Magic Moments' in a style that no Indian brand had—frosted bottle with a unique guitar shaped glass window and direct printing on the bottle. Furthermore, the premium Morpheus brandy has a classy state-of-the-art inverted goblet shaped bottle with a 'Guala' cap.

Also, its first brand 8PM has undergone a makeover from being molasses to grain based whisky, which was first of its kind offering in that segment. Owing to the superior quality and focus on innovative offerings, many products of Radico Khaitan have received honours & accolades in both India and abroad.

Having laid a strong foundation of global ties and exports in the last few years, Radico Khaitan is growing at a very healthy pace. Many brands from the straddle of Radico are now available in more than 50 countries worldwide and are being appreciated and consumed not only by the Indian Diaspora but also by the locals. The company is now focusing on increasing its presence in a number of developed markets in America and Asia Pacific.
