(b) OPPORTUNITIES, THREATS RISK & CONCERNS :

Presently major requirements of pipes in Rajasthan are being met through units situated outside Rajasthan. The pipes manufactured by the company would be able to compete effectively in the market as they would have a clear price advantage over the other outside suppliers because of lower transportation cost benefits applicable to the company.

The company's product shall enjoy 4% price preference and 80% purchase preference in all Govt. & semi Govt. organisation of Rajasthan Govt.

Steel Tube and pipe industry is expected to show good prospects in view of increased availability of H.R. Coils being basic raw material to manufacture M.S. Steel Tube.

More units with similar facility may come up resulting in greater competition and lower price realisation.

Changed state Govt. policies may effect the profitability of the company.

The steel tube industry is subject to market cycle and as constituent of the industry. Your company is also exposed to these constituent. rise in price H.R. Coils, Zinc are also a matter of concern.
