## Management Discussion and Analysis

The Management of Rajdarshan Industries Limited presents the analysis of performance of the Company for the year 2003 – 2004 and its outlook for the future. This report contains certain forward-looking statements, which are subject to certain future events and uncertainties that could cause actual results to differ materially.

Your Company operates its machineries in mining, and transportation of raw materials to various Cement Units in Rajasthan through contract execution. The profitability and growth of your Company mainly depends upon new projects and growth of Cement Units. There are hardly any new projects in this sector, which is important for your Company's business growth.

The performance of the mining division of the Company in terms of the turnover has decreased from Rs.452.02 lakhs to Rs.409.79 lakhs during the year 2003 – 2004, mainly due to reduction in demand from Cement Units.

During the year your Company has continued its focused on trading division, which trades in buying and selling of marble, sandstone, stone cutting tools, etc., and the performance of the trading division of the Company in terms of the turnover was Rs.132.93 lakhs as compared to Rs.148.92 lakhs during the year 2002 – 2003.

Other income was at Rs.9.40 lakhs down by 41.71% compared to Rs.16.13 lakhs during 2002 – 2003.

Due to significant contribution from trading division, the Company could maintain its operating profits, which is at 36.09%.

Interest charges are down by 63.03%, mainly due to repayment of term loans to IDBI under One-time Settlement Scheme.

The net block of fixed assets reduced to Rs.196.35 lakhs as at 31<sup>st</sup> March 2004 from Rs.217.52 lakhs as at 31<sup>st</sup> March 2003, therefore depreciation charges are only Rs.67.36 lakhs as against Rs.137.72 lakhs in the last year.

On account of carry forward losses and unabsorbed depreciation your Company has not provided any income tax liability for the year.

The Company has provided for deferred tax asset of Rs.13.84 lakhs as per the Accounting Standard

(AS) 22, for details kindly refer notes to the accounts no.12.

The Net Profits during the year before deferred tax adjustments is Rs.110.62 lakhs as against Rs.38.88 lakhs reported during 2002 – 2003.

The Earning Per Share was at Rs.3.91 during 2003 – 2004 as against Rs.2.08 during 2002 – 2003.

### Outlook

The Company's main approach will be to utilise all its resources, with improved and more effective management practices to execute its contracts.

The Company is also focusing its attention on trading division to sustain profitability.

The Company's long-term objective is to successfully execute its contracts with Cement Units to further its growth.

### Internal Control Systems

The Company is following a proper and adequate system of internal controls in respect of all its activities including safeguarding and protecting its assets against loss from unauthorised use or disposition. Further all transactions entered into by the Company are duly authorised, recorded and reported correctly.

An extensive program of audit, reviews by Management and established policies, guidelines and procedures, supplements the internal control system. The system is designed to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

### Human Resources

During the year, labour / employees relations continued to be cordial.

### Conclusion

In sum, the Company has reported improved performance during the financial year as compared to previous financial year, and is striving hard to improve upon all the aspects to post a good performance, and also confident of delivering improved value for the shareholders in the years to follow.
