The term of the above named Director will, therefore, expire at the forthcoming Annual General Meeting. The Company has, however, received notice Under Section 257 of the Companies Act, 1956 from one member notifying his intention to propose at the forthcoming Annual General Meeting, the name of Sh. Rajesh Kumar Sharma for appointment as Director of the Company not liable to retire by rotation.

None of the Director(s) except Sh. Rajesh Kumar Sharma is concerned or interested in this resolution.

**ITEM NO. 5**

The Securities and Exchange Board of India (SEBI) had notified 'Delisting of Securities Guidelines, 2003' (the Guidelines) on 17th February, 2003. As per the Guidelines, a Company may seek voluntary delisting of its securities from all or some of the Stock Exchanges and further that an exit opportunity is not required to be given in cases where such securities continue to be listed at a stock exchange having nationwide trading terminals i.e. The Stock Exchange, Mumbai, National Stock Exchange or any other Stock Exchange(s) as may be specified by SEBI in this regard.

At present, Equity Shares of the Company are listed at the Stock Exchanges at Mumbai, U.P., Delhi, Calcutta and Ahmedabad. It is, therefore, proposed to delist the Equity shares of the Company from the Stock Exchanges at Delhi, Ahmedabad and Calcutta in view of negligible/no trading at these Exchanges, very less number of shareholders in these regions. Consent of the members is sought to delist the Equity shares of the Company from the Stock Exchanges at Delhi, Ahmedabad and Calcutta as mentioned in the Special Resolution.

It is also be noted that your Company had passed the Special Resolutions for Delisting of its Equity shares from Delhi, Ahmedabad and Calcutta Stock Exchanges in its 10th and 13th Annual General Meeting. Both the resolutions could not be implemented since there were no such specific guidelines from SEBI to the Stock Exchanges with regard to voluntary delisting.

Therefore, the Board recommends the special resolution for approval of members.

None of the Director(s) of the Company are interested or concerned in the proposed resolution.

**OPERATIONS**

During the year under review your Company faced stiff competitive market conditions resulting into a substantial fall in the sales price of black and white TV picture tubes. Besides this, there was also a decline in the black and white TV market owing to the continuous fall in the sales price of colour televisions which further narrowed down the difference in the sales price of colour and black and white televisions. This sluggish market scenario coupled with stiff competitive prices adversely affected the black and white TV picture tube industry. Though your company could maintain its market share with consistent thrust on quality and a better after sales service, however, there was sizable reduction in turnover and production levels. During the year under review, the Company achieved a turnover of Rs. 1685.41 lacs as against Rs. 3591.24 lacs in the previous year recording 53.6% decline over the previous year.

Further, with a considerable reduction in sales realization the Company incurred cash losses despite various cost reduction measures taken by the company to resist the fall in sale prices. During the current financial year the company incurred a net loss of Rs. 375.72 lacs as against a net profit of Rs. 97.90 lacs in the previous year.

During the year under review, your Company has made payment of Rs. 51.36 Lacs to IFCL Limited out of the balance One Time Settlement (OTS) amount (as on 01.04.2002) of Rs. 79.89 lacs. The total OTS amount as sanctioned by IFCL Limited was Rs. 182.60 lacs. Your Company could not make payment of balance 5 installments aggregating to Rs. 28.53 lacs due to heavy cash losses incurred by the Company during the year under review. However, your company has made further payment of Rs. 10 Lacs (Rs. 5 L p-2Xa p-2Xcs in May, 2003 and Rs. 5 Lacs in June, 2003) towards the OTS amount due to IFCL Limited.

As regards One Time Settlement with IDBI, your company had already paid 25% of the OTS amount i.e. Rs. 83.16 lacs during the financial year 2001-2002 and requested IDBI for re-schedulment of OTS installments which was sanctioned by IDBI on 20.01.2003. Under the revised schedule of payment your company was required to pay a further sum of Rs. 55 lacs by 15.12.2002 (as envisaged by the company) and balance amount into 18 monthly installments commencing from 15.01.2003. Your Company has, however, paid Rs. 55 lacs to IDBI (Rs. 10 lacs in March, 2003 and Rs. 45 lacs in April, 2003), and has

further requested IDBI for reschedulement of balance OTS amount based on the revised projections and revised Draft Rehabilitation Scheme (DRS) submitted by the Company to the Operating Agency in April, 2003. The same is under consideration with IDBI.

During the year under review, your Company's bankers namely Canara Bank and Bank of Baroda have converted the excess borrowing to the extent of Rs. 379.41 lacs (Canara Bank - Rs. 200.63 lacs and Bank of Baroda - Rs. 178.78 lacs) into Working Capital Term Loan (WCTL) of Rs. 320.85 lacs (Canara Bank - Rs. 168.86 lacs and Bank of Baroda - Rs. 151.99 lacs) and Funded Interest Term Loan (FITL) of Rs. 58.56 lacs (Canara Bank - Rs. 31.77 lacs and Bank of Baroda - Rs. 26.79 lacs). The aforesaid conversion of excess borrowings into WCTL and FITL is subject to first pari-passu charge on fixed assets of the Company and second charge on fixed assets of the Company respectively.

Further, owing to the delay in finalisation and approval of Rehabilitation package the Company could not avail various reliefs and concessions like reduction in interest rates etc., envisaged in the scheme. This also adversely affected the profitability and liquidity of the Company.

#### **REFERENCE TO THE BOARD FOR INDUSTRIAL AND FINANCIAL RECONSTRUCTIONS (BIFR)**

As already informed in the previous report the BIFR has already declared the Company a sick company in terms of the provisions of Sick Industrial Companies (Special Provisions) Act, 1985 vide its order dated 20.02.2001. The BIFR also appointed IFCI Ltd. as the operating agency, to formulate the rehabilitation package to revive the company. Number of meetings of the lenders were convened and held by the operating agency to finalise the draft rehabilitation scheme and the same was circulated to the lenders for finalising the same at the hearing of BIFR on 28.02.2003. On 28.02.2003, the BIFR, directed the company to settle the matter with IDBI and working capital Banks and submit a fully tied up rehabilitation proposal to IFCI Limited (operating agency) alongwith revised projections. Accordingly, your company had submitted a revised Draft Rehabilitation Schemes to operating agency on 14.04.2003 and the same is under finalisation by the operating agency in consultation with the company, financial institutions and Banks.

#### **AUDITORS' REPORT:**

The observations made by the Auditors in their report about the deferment of sales tax liability and going concern concept, it may be stated that the rehabilitation package of the Company is under finalisation by the operating agency i.e., IFCI Limited and is to be approved by BIFR thereafter. The deferment of sales tax liability is one of the relief measures sought by the company under the draft rehabilitation scheme submitted by the company and is in line with the provisions of Section 38 of U.P. Trade Tax Act, 1946 and the company is quite hopeful that the Rehabilitation Package which includes Deferment of payment of the liability would get approval of BIFR. With regard to observation by Auditors regarding non-receipt of any communication under section 274 (1) (g) of the Companies Act, 1956 from two Nominee Directors of HILTRON, it may be stated that your Company is regularly following up the matter with both the HILTRON Nominee Directors and the same shall be placed before the Board at its meeting held immediately after the receipt of said communication from them.

#### **FIXED DEPOSITS :**

The Company has not accepted any Fixed Deposits during the year under review.

#### **STOCK EXCHANGES & LISTING FEES**

The Company's Equity Shares at present are listed at Delhi, Mumbai, Uttar Pradesh, Ahmedabad and Calcutta Stock Exchanges. The company has paid the Annual Listing Fees for the year 2002-03 to all the Stock Exchanges except Calcutta Stock Exchange. Your Company has also paid the Annual Listing Fees for the year 2003-04 to Mumbai Stock Exchange.

#### **DELISTING:**

The Equity shares of your Company are presently listed on Mumbai, Uttar Pradesh, Delhi, Ahmedabad and Calcutta Stock Exchanges. The number of shareholders in the region of Delhi, Ahmedabad and Calcutta are very less. The trading volumes indicates that the company's shares are not traded in material volumes at Stock Exchanges other than Mumbai. Mumbai Stock Exchange have extensive networking of trading terminals, which facilitates trading by members / investors across the country.

The Board of Directors of your Company accordingly recommended for the approval of the members, the proposal to voluntarily delist the Company's Equity shares from Delhi, Ahmedabad and Calcutta Stock Exchanges. A special resolution seeking your approval to such delisting is mentioned in the Notice convening 14th Annual General Meeting of the company.

#### **PARTICULARS OF EMPLOYEES :**

There was no employee during the year under review whose particulars are required to be given pursuant to Section 217 (2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975.

#### **MANAGEMENT DISCUSSION AND ANALYSIS**

##### **Overview and Industry Structure and Developments:-**

The growth of every Industry depends on the demand and thereby sale of its product. From the last 6-7 years your Company is facing continuous decline in the demand of its product. The year under review also witnessed continued slow down in the Indian Economy, tough competition and availability of colour television on low prices and also on easy installments taken in combination adversely affected Black & White Television Industry. With the electrification of the rural areas and indication of an improvement in the overall Economy, the Electronic Industry is also expected to show signs of improvement.

##### **Opportunities And Threats**

##### **Opportunities:-**

The electrification of rural areas has not been done in full and also the T.V. transmission towers have not been installed in most of the rural areas. The Government is in process to install the T.V. transmission towers and also for the electrification of rural areas. This will increase the demand of Black & White T.V because poor income category will be able to buy only Black & White T.V at first instance due to its low cost.

##### **Threats:-**

##### **1. Fall in the prices of colour picture tubes and televisions:-**

Continuous fall in the prices of Colour T.V sets along with the hire purchase facility have shifted the demand from Black & White T.V to Colour T.V.

**2. Poor infrastructure:-**

Delay in rural electrification, installation of T.V. Transmission Towers in rural areas will adversely affect the possible future growth.

**3. Unorganised sector:-**

Increase in unorganised sector who are making reconditioned picture tubes enjoying the benefit of excise and sales tax.

**Segment-wise or product wise performance:-**

Segment Reporting as defined in Accounting Standard (AS-17) is not applicable as the company is primarily engaged in the business of manufacturing Black & White Picture Tubes. The trading business of Baby Care & Mother Care products having turnover of Rs. 104.08 lacs (during 12 months) is an insignificant percentage of the total Turnover/Profit/Assets of the Company.

**Outlook:-**

Your Company has the product range of 14", 17" and 20" and 14" FS Monochrome Monitor Tubes. Although the data showed that Black & White T.V Industry has registered a sale of 3.4 million units in 2002-03 which shows a decline of 5.5% from the previous year. The scenario of this Industry could be better if the tax structure is rationalised to reduce the incidence of tax considering the Black & White T.V. as a necessity for poor rural people for their education, information and entertainment.

**Risks and concerns:-**

1. High Excise duty and sales tax on Black & White television and on its components.
2. Poor infrastructure specially power, road and delay in installation of T.V. Transmission Towers.

**Internal control systems and their adequacy:-**

The Company maintains a system of Internal Control including suitable monitoring procedures. The Internal Control system is supplemented by an exhaustive programme of internal audits and said audits are then reviewed by Audit Committee from time to time.

**Developments in HR:-**

Looking at the downward trend in the Industry, there is no increase in the Employees of the Company. However, some manpower has been reduced by effecting some technical changes in the plant, more computerisation and better planning in the operations of the plant.

**Financial performance coupled with operational performance:-**

As stated above, the production and turnover of your Company have declined during the year under review and as a result, the Company has incurred a net loss of Rs. 375.72 Lacs during the year under review as against the net profit of Rs. 97.90 Lacs in the previous year.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO :**
