Letter from the Chairman

Rashtriya Chemicals and Fertilizers Limited

Let us grow together

Dear Shareowners,

It gives me immense pleasure to address you at the end of the year which started with lots of expectations and positive sentiments on account of change of guard at the center with a decisive political mandate. India came into limelight due to some positive steps taken on the policy front to boost the economic growth. The result of these steps can be seen with the Indian economy growth rate picking up. Some more reforms are in the anvil which will put India on a high growth trajectory. The International community is also looking at India to play a major role in International affairs. With the string of reforms continuing, we are optimistic that in the coming years, India will emerge as an economic super power.

The fertilizer sector which is mainly dependant on rain is expecting a 7% rainfall deficiency (southwest monsoon) in 2015 as predicted by The Indian Meteorological Department. However, the beginning of monsoon this year has been very encouraging with widespread good rains in the month of June, while monsoon is below par in July so far. A second straight year of poor monsoon will decrease the efficacy of India's irrigation ecosystem and hit agricultural output and farmers adversely.

I am glad to inform you that during the year 2014-15, your Company earned a total income of ₹ 7787.81 Crore as against ₹ 6661.64 Crore during the previous year and achieved a gross profit of ₹ 884.70 Crore as against ₹ 640.36 Crore of previous year. The Profit before Tax was ₹ 509.63 Crore which is an increase of about 39% over the previous year PBT of ₹ 367.32 Crore. The Company has also achieved the highest ever Profit after Tax of ₹ 322.06 Crore as compared to previous year PAT of ₹ 249.89 Crore, an increase of 28.88%. Your Company's performance during the year has been bolstered by higher volumes of manufactured & traded fertilizers and higher energy efficiencies attained at both Trombay and Thal Units, despite various challenges encountered on gas availability and delayed disbursement of subsidy.

Although your Company has lined up a number of capex programmes which will entail substantial expenditure, considering the consistent profits being made by the Company, your Directors have recommended a dividend of ₹ 1.80 (i.e. 18%) per equity share (Previous year ₹ 1.50 per equity share) for the financial year 2014-15, which is highest pay-out in the history of RCF.

As has been the custom, your Company achieved several recognitions and awards, such as Environmental Excellence Award 2014-15 in Gold Category for Trombay instituted by Greentech Foundation for outstanding performance in environment management, 11th National award for excellence in Cost Management-2013 from The Institute of Cost Accountants of India, Golden Peacock National Training Award, Governance Now PSU Award 2014 for CSR initiatives, Golden Peacock Environmental Management Award for the year 2014 for Thal unit, Vigilance Excellence Award from Vigilance Study Circle, Hyderabad, Vigilance Excellence Award at Corporate level and also individual award for case studies from Institute of Public Enterprises, Hyderabad.

Your Company has already commenced the work on the project of Sewage Treatment Plant (STP) which, when operational, will generate 15 MLD of treated water for usage in the plants of RCF and BPCL thereby saving fresh water intake to that extent which will benefit about 30,000 families in the city of Mumbai. Similarly, the work on 2 MWp Solar Power Plant (PV Grid Connected) at Trombay has also commenced. This project, on commissioning, is likely to generate around 3 million units of power on annual basis. The power generated shall be used for captive consumption of the Trombay unit. Further your Company is planning to undertake major projects such as Additional Ammonia Urea project at Thal, Coal Based Fertilizer Plant at Talcher, and Urea Plant in Iran for import of Urea to India jointly with Gujarat Narmada Valley Fertilisers & Chemicals (GNFC) and Gujarat State Fertilisers Corporation (GSFC).

Your Company is also looking for opportunities for long term off take agreements for procurement of fertilizers to ensure sustained growth. I am confident that with your unflinching support and support from the Government, your Company would march ahead successfully.

I am delighted to present the Annual Report for the year 2014-15 and hope to see you at the 37th Annual General Meeting on 27th August, 2015.

On behalf of my colleagues on the Board and all RCFians, I thank you all for your continued support.

With warm regards,

(R. G. Rajan)

Chairman and Managing Director
