 at Birla Matushri Sabhagar, 19, New Marine Lines, Mumbai 400 020**

My dear fellow Shareowners,

It gives me great pleasure to share with you the highlights of our Company's performance during 2013 - 14.

Reliance Capital made significant progress during the year towards improving operational performance across its core businesses, and is fully geared to capitalise on its growth aspirations.

We continue to move forward in fulfilling the vision of our legendary founder and my father, late Shri Dhirubhai Ambani, to attain financial empowerment for millions of ordinary Indians, and, in the process, enable Reliance Capital to become one of India's leading financial services players.

Today, our Company is one of India's largest non-banking financial services companies. We have diversified interests in asset management, mutual funds, pension funds, life and general insurance, commercial finance, home finance, stock broking services, wealth management, financial products distribution, asset reconstruction and other activities in the financial services arena.

Our Company is an integral part of the Reliance Group. Reliance Group is amongst India's leading business houses with a 10 million strong shareholders base. We have a strong presence across the wide array of high growth consumer facing businesses of telecom, financial services, energy, power, infrastructure and media and entertainment.

Today, each of us can claim with pride and humility that the Reliance Group touches the life of one in every five Indians, every single day. This proud association defines our vision and values. It defines who we are, what we stand for and what we aspire to achieve.
