LETTER TO SHAREHOLDERS

Dear Shareholders,

I, Suhir Hiralal Shah (Managing Director), heartily welcome you all, having joined **RELICAB CABLE MANUFACTURING LIMITED** family with your participation in our maiden public offer. It is my desire and wish that this association of ours, will strengthen our hands in to reach glorious heights.

We are fortunate and humbled by the response received for the Initial Public Offering (IPO) of the shares of Relicab Cable Manufacturing Limited which was listed in the financial year 2015-16 on 22nd March, 2016 on BSE SME Platform.

The support given to the IPO road show was very heartwarming and I would like to thank all our investors for showing confidence and trust in Management Capabilities of the RELICAB team, our philosophy of fairness and transparency and in our commitment to social initiatives to promote economic and social well-being of the society around us.

Relicab has been an early adopter of technology. We are now aggressively moving technology to the core of our business. It is central to connect with customers, dealers and the sales force. Your Company is continuously investing in technology to maintain a strong differentiator in the Industry and enable a non-linear growth going forward. We are riding in the same spirit of action powered by clarity. Each and every one of us has a clear vision of where to go and what to achieve. Due to the pandemic of COVID, the Companies' revenue has suffered a huge hit, in spite of which the Company is surviving to their best and looking forward to the upward growth structure. The Company is working well in achieving their targets and are aiming for betterment of their members and stakeholders. We see a reshaping of the competitive environment. We are responding by sharpening our focus and strengthening our efforts to create value. As with any business, we encountered several problems and faced some difficult decisions. Those challenges, however, ultimately provided insights and practical knowledge of business and our economic system. We learned the importance of teamwork, communication, listening to customers, and producing high-quality products. The path ahead isn't easy and that's probably why treading it successfully would be all the more rewarding. But it feels great to know that it is time for this large and committed team to load with an air of purpose and let out a powerful shriek that says... "MOVE FORWARD"

We see a large canvas of opportunities in front of us and we are fully prepared to leverage them with the cooperation of our people, partners and associates. I would like to take this opportunity to thank all of them, as also the Board of Directors for their invaluable guidance through this journey.
