AUDITORS AND AUDIT REPORT

The Statutory Auditors of the company M/s M.S Krishnaswami & Rajan, Chartered Accountants, Chennai, retire at the ensuing Annual General Meeting and are eligible for re -appointment.

Your company has received intimation to the effect that, proposed re-appointment, if made would be with in the prescribed limit under Section 224(1B) of the Companies Act 1956 and also in compliance with the requirements of the Listing Agreement regarding Peer Review. They have also confirmed their willingness to accept office, if re-appointed. The Board and Audit Committee recommend the re-appointment of M/s M.S Krishnaswami & Rajan, Chartered Accountants, Chennai, as Statutory Auditors to hold office till conclusion of Next Annual General Meeting.

The Company has well established system of Internal Audit which carries out audit on Risk Management frame work which covers the entire gamut of financial, marketing, plant operations and other service functions

Regarding the comments of Auditors in their report, the Directors wish to state :

- (i) the company had during the finalization of rehabilitation scheme by BIFR in 2002, effected a capital reduction aggregating Rs 754.44 lakhs and since that date the same has been held as a reserve primarily to finalise the erosion in network for adjustment. The company would be approaching BIFR for its approval to utilize this reserve for identified impairment in fixed asset.

Consequently it has been thought fit not to recognize this impairment in fixed asset aggregating Rs 642.04 lakhs in the Profit and Loss Account and instead approach BIFR to utilize the reserves as explained above.

The application to BIFR for this purpose would be filed shortly.

- (ii) Steps are being initiated to update the fixed asset register now that the evaluation of impairment is complete. Similarly steps to improve internal control on sales has already been taken.

- (iii) The arrears of tax collected/deducted at source has since been paid. Regarding sales tax, the assessment proceedings in respect thereof is in progress and the arrears would be cleared upon finalization of the assessment proceedings.

- (iv) The creation of charge in respect of the Deep Discount Bonds will be completed expeditiously

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

During the year 2010-2011 there has been improvement in market demand due to growth in realty sector and also boom in general construction activity in retail segments .

There are improvement in economic conditions domestically and there is optimism that Infrastructure and construction sectors would grow at steady pace, considering Government's thrust in the Budget to make Huge Public Investments in Infrastructure sector.

RESTILE CERAMICS LTD, being a pioneer in vitrified tile and in the business of flooring tiles since 1986 holds excellent reputation in the Industry as high quality producer. The company employs the best practices and highest quality standards in the industry. While it works constantly on quality up-gradation, the company is known for introducing innovative product range on frequent intervals.

Restile is the only brand in Indian market to make 100% of its production as full body vitrified tile. The fierce competition is affecting the quality standards of the industry in general, but at RESTILE quality comes first, the stand vindicated by the repeat purchases from country's corporate customers.

Restile was launched as manufacturers for Fully Vitrified Unglazed and Polished Monolithic floor tiles in smooth, rough as well as Mirror Polished finishes and commenced commercial production during 1991 with an installed capacity of 2,700,000 Sq.mtrs. per annum .

The company is continuously striving to source new materials to enable cost reduction as well bring in improvement in quality aspects .

DISCUSSION IN FINANCIAL/OPERATIONAL PERFORMANCE

Production during the year was 734917 Sq.mtrs., higher by 43% than the production during previous year on account of higher capacity utilization.

NET SALES:

Net Sales clocked for the year were Rs 2871.44 Lacs.

OTHER INCOME:

The other income for the year stands at Rs 44.28 Lacs.

TOTAL EXPENDITURE:

Increase in expenditure in the year 2010-2011 was on account of higher production and increase in the input costs and due to write off of no realizable debtors and stock.

MANUFACTURING EXPENSES:

Manufacturing expenses were Rs 2420.93 Lacs during the year as compared to Rs 3184.66 Lacs in the year

ADMINISTRATIVE AND SELLING EXPENSES:

There has been an increase of Rs 914.58 Lacs on account of general rise in prices, increase in level of business activity, increase in manpower costs and write off of non realizable debts.

INTEREST AND FINANCIAL CHARGES:

An amount of Rs 91.48 Lacs was incurred in the year 2010-11 against Rs 93.77 Lacs in the previous year. The decrease was on account of prudential utilization of the working capital facilities.

NET PROFIT :

Company recorded a net loss of Rs1673.01 Lacs during the year on account of increase in input costs, decrease in average selling prices.

INTERNAL CONTROL SYSTEMS :

The Company has adequate internal control systems and management continuously reviews and improves the internal control systems as per the changed requirement. The Company has independent Internal Auditors, who conduct periodical audit and submit their report to the Audit Committee. The Company's operations are overviewed by Audit Committee of Board of Directors.

OPPORTUNITIES

Restile has increased the manufacturing capacity by installing state of the art and cost effective production equipment . The Construction and housing boom to provide bolstering demand for ceramic tiles and the untapped rural market supported by a strong growth witnessed by Indian agriculture provides for good potential for the domestic ceramics manufacturers. The Government's determination to kick start the economy by increasing budget outlay on development of infrastructure sector, which in turn revives the purchasing power of the citizens and revival of construction sector , would help in restoration of normal growth of Ceramic Tile Industry.

THREATS:

Since the vitrified market enjoys consistent growth and assured returns, few companies in the organized and unorganized sector are expected to come up with the latest technology, which may result in pressure on the realizations. However the uniqueness of our product will help us in garnering the Project and industrial tiles sector which will help us in overcoming the competition from unorganized sectors.

RISKS AND CONCERNS:

The Company is consuming LPG which is a petroleum product for firing the tiles. The prices of petroleum products depend upon international market and subject to volatility. Some of the competitors who have the facilities of natural gas, tax incentives etc. are dominating the market. There may be a threat from some of the larger capacity players, who have varied range of products, effects and colors to dominate market presence.

OUTLOOK

In the present competitive market also the Company enjoys a brand image for its products. The Company also expects to stabilize its production and reach optimum capacity utilization during the year 2011-2012 by concentrating on Industrial tiles which has better realisation . Continuing R&D activity in the areas of new product development, quality improvement, optimization of product mix and cost reduction will benefit the Company in improved market share and profitability.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

The Company has its own system to control all its branches and divisions to ensure proper and adequate control; facility, transparency and accuracy. The employer-employee relationship has been cordial. The Company considers the quality of its human resources as its important asset it endeavors to attract and recruit best possible talent and to retain and groom it to meet its needs.

CAUTIONARY STATEMENT

Statements in the management discussion and analysis describing the Company's objectives, projections, estimates, expectations may be considered to be forward looking statements and actual results could differ materially from those expressed or implied. Factors which could make a significant difference to the Company's operations include demand supply conditions, market prices, input component costs and availability, changes in government regulations and tax laws besides other factors such as litigation, over which the Company may not have any control.
