The Company has well established system of Internal Audit which carries out audit on Risk Management frame work which covers the entire gamut of financial, marketing, plant operations and other service functions

Regarding the comments of Auditors in their report, the Directors wish to state:

- (i) The company had during the finalization of rehabilitation scheme by BIFR in 2002, effected a capital reduction aggregating Rs 754.44 lakhs and since that date the same has been held as a reserve primarily to finalize the erosion in net worth for adjustment. The company would be approaching BIFR for its approval to utilize this reserve for identified impairment in fixed assets. Consequently it has been thought fit not to recognize this impairment in fixed assets aggregating Rs 642.04 lakhs in the Statement of Profit and Loss and instead approach BIFR to utilize the reserves as explained above. The application to BIFR for this purpose would be filed shortly.
- (ii) Steps are being initiated to update the fixed asset register now that the evaluation of impairment is complete. Similarly steps to improve internal audit function is also being initiated.
- (iii) Regarding arrears of Statutory dues including provident fund, Sales Tax etc aggregating Rs.34.98 Lakhs, a major portion has since been paid and balance will remitted in due course.
- (iv) The creation of charge in respect of the Deep Discount Bonds will be completed expeditiously

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Year 2011-2012 showed improvement in market demand due to growth in realty sector and also boom in general construction activity in retail segments. There is improvement in economic conditions domestically and there is optimism that infrastructure and construction sectors would grow at steady pace.

Restile Ceramics Ltd, pioneer in vitrified tiles and in the business of flooring tiles since 1986 holds excellent reputation in the industry as high quality producer, employs the best practices and highest quality standards in the industry and works constantly on quality up-gradation. The company is known for introducing innovative product range in frequent intervals.

Restile is the only brand in Indian market to make 100% of its production as full body vitrified tile. The fierce competition is affecting the quality standards of the industry in general, but at RESTILE quality comes first, the stand vindicated by the repeat purchases from country's corporate customers.

Restile was launched as manufacturers for Fully Vitrified Unglazed and Polished Monolithic floor tiles in smooth, rough as well as Mirror Polished finishes and commenced commercial production during 1991 with an installed capacity of 2,700,000 Sq.mtrs. per annum.

The company is continuously striving to source new materials to enable cost reduction as well bring in improvement in quality aspects.

MANAGEMENT DISCUSSION AND ANALYSIS OF OPERATING RESULTS AND FINANCIAL PERFORMANCE:-

RESULTS OF OPERATIONS FOR THE YEAR ENDED MARCH 31, 2012

Sales:

Net Sales clocked for the year were Rs 2180.64 Lacs as against Rs.2,871.45 Lacs for the previous year and other income for the year stands at Rs 90.04 Lacs as against Rs.44.28 Lacs for the previous year.

Production:

Production during the year was 4.46 Lakhs Sq. mtrs, lower by 39.32% than the production during previous year.

Expenditure:

There has been decrease in expenditure in the year 2011-2012 compared to previous year. Out of Total Expenditure Cost of Materials consumed were Rs.414.84 Lacs compared to Rs.943.48 Lacs in the previous year. Purchases account for Rs.45.68 Lacs in the current year compared to Rs.140.95 in the previous year. Movement in Inventories account for Rs.406.48 Lacs decrease in current year as against Rs.261.93 Lacs increase in previous Year. Employee Benefits, Depreciation, other Expenses and exceptional Items account for Rs.2,644.81 Lacs as against Rs.3,674.75 Lacs in the previous year. There is also recognition of Rs.41.21 Lacs towards Bad and Doubtful debts written off.

Interest and Financial charges:

An amount of Rs.106.44 Lacs was incurred towards Interest and Financial Charges in the year 2011-12 against Rs.91.49 Lacs in the previous year.

Net Loss:-

The Company recorded a net loss of Rs.1,347.57 Lacs during the year on account of decrease in production and decrease in average selling prices.

Internal Control Systems and their adequacy:

Internal controls and its effectiveness are being reviewed through the internal audit process. The company has adequate internal controls and Management reviews periodically to the changed requirements. Moreover, Independent Internal Auditor conducts Periodical Audit and submits the Audit Report to the Audit Committee. Audit committee consisting of Independent Directors review the operations in terms of internal controls and their adequacy to the changing requirements.

Opportunities:

Restile has increased the manufacturing capacity by installing state of the art and cost effective production equipment. The Construction and housing boom to provide bolstering demand for ceramic tiles and the untapped rural market supported by a strong growth witnessed by Indian agriculture provides for good potential for the domestic ceramics manufacturers.

Threats:

Since the vitrified market enjoys consistent growth and assured returns, companies in the organized and unorganized sector are expected to come up with the latest technology, which may result in pressure on the realizations. However the uniqueness of our product will help us in garnering the Project and industrial tiles sector which help in overcoming the competition.

Risks and Concerns:

The company specific risks remain by and large the same as enumerated last year. The Company is consuming LPG which is a petroleum product for firing the tiles. The prices of petroleum products depend upon international market and subject to volatility. Some of the competitors who have the facilities of natural gas, tax incentives etc. are dominating the market. There may be a threat from some of the larger capacity players, who have varied range of products, effects and colors to dominate market presence.

Outlook:

In the present competitive market also the Company enjoys a brand image for its products. The Company also expects to stabilize its production and reach optimum capacity utilization during the year 2012-2013 by concentrating on Industrial tiles which has better realisation. Continuing R&D activity in the areas of new product development, quality improvement, optimization of product mix and cost reduction will benefit the Company in improved market share and profitability.

Human Resources and Industrial Relations:

During the financial year 2011-12, the employee and employer relationship has been fairly cordial. The company considers the quality human power as an important asset and it endeavors to recruit best possible talent and to groom it to meet its needs.

However subsequent to the year 2011-12, due to compulsory power shut down in Andhra Pradesh the company had announced lay off as the industry is a continuous manufacturing process industry. subsequent to the lay off workers have resorted to indiscipline and were stopping the dispatches from the Company of whatever the materials had already been produced. This had lead the management of the Company to declare lockout. Subsequently, discussions are on to restart the company.
