The revenue growth was led by:

IMPACT OF COVID-19 ON THE OPERATIONS OF THE COMPANY:

The year was indeed unique as the COVID-19 contagion ravaged socio-economic developments globally. We are living through unprecedented times. When it felt like the worst was over, unfortunately a second wave of Covid gripped the country again with even higher ferocity. During this protracted pandemic, we wish that all members of Rexnord's family and the country at large stay safe and follow Covid safety protocol.

Our Response

At Rexnord, we relied on agility, and a pragmatic approach to the unprecedented and unforeseen pandemic. In the initial period, we focussed on the safety of our employees, dealers and other stakeholders. We invoked the spirit of togetherness, hope and humanity to be helpful to each other.

We would like to express our sincere gratitude to the entire team for their exemplary contribution and efforts. We would single out our factory staff, the frontline staff, supervisors and supply chain team for their inexhaustible energy to keep going and fulfil deliveries against all odds. They are Rexnord's Covid warriors and we would thank them on your behalf.

As business gradually gained traction post lockdown, Rexnord was able to fulfil consumers' demands through its vast distribution network supported by continuity in product supply through in- house production. There have been

numerous examples set by each function of your Company where best results have been achieved this year. Sales, supply chain and manufacturing have surpassed their previous best by improving productivity. We are determined to continuously drive 'Innovation', 'Growth' and 'Productivity' throughout the organisation.

Rexnord has always believed in creating a long-term sustainable business with an innovative product development, aspirational brand, own manufacturing, well-entrenched distribution network, a strong supply chain and a responsive customer service.

Volumes and efficiency were the key during these times, and I am glad to share that your Company was able to deliver results because of the investments committed over the years. While one can scamper their way in, exploiting access to the trade network, success is ephemeral unless backed by solid infrastructure and a value system. We also maintain strong liquidity and prudent Capex and Opex mix to retain the nimbleness in the organisation.

We, at Rexnord, over the years have continued to take important strides in playing our part towards a sustainable environment. We have been working steadily towards conservation and management of natural resources, by installing solar panels and waste management systems.
