DIVIDEND

In view of low profit, looking to the slow down in economy as well as in order to meet financial requirement to implement its future plans, your Directors do not propose any dividend for the year under review.

ECONOMIC SCENARIO AND OUTLOOK

The financial year 2008-09 was unparalleled, with the unfolding of an unprecedented financial crisis on Wall Street, Falling property prices, coupled with massive leveraging, sparked off the sub-prime crisis in the housing mortgage sector in the US. Due to tight integration of the financial markets across the world, this contagion has spread to the global banking sector. Finally, this has traversed from the financial to the real estate sector, and has participated into a global economic slowdown.

The Central Government of India and the Reserve Bank of India have announced fiscal and monetary measures to revive growth. The Government is seeking to boost through various stimulus packages by way of enhanced expenditure on infrastructure and through tax reductions. However, business confidence and economy may take a while to rebound due to the traditional lag effect associated with stimulus packages.

PERFORMANCE & CURRENT YEAR PROSPECTS

The Company is in the activities of manufacturing and trading of Textiles products, especially in manufacturing and trading of suiting and shirting. Beside this the Company is also doing a contract base production of textile goods which is more popularly known as Job Work. The entire year was rough & tough due to the slow down in demand and hence forced to opt for cut down in production which has affected the profit of the Company.

The slow down in global economy has not only affected the business of Company but also the entire market of textile goods, which is still continuing. The lack of demand forced Company to

cut down prices of its products and tough competition has again worsened the situation. Now the slight demand has rose but we are unable to comment whether this will consistent or situation will be worsen because of world-wide slow down.

Honestly to say, it was a big challenge for the Company in scenario, to sustain its profitability track and has made lot of efforts to be a profitable entrepreneur during the year under review.

BUSINESS SEGMENT

Your Company offers its services to customers through industry practices in Textile, both by way of manufacturing as well as rental of Trading. The Company has installed 36 Suzler Shuttle Lace Looms in the area of around 1050 square meters and these machines are having capacity of producing suiting product of 3000 meters in 3 Shifts and shirting product of 6000 meters in 3 Shifts.

RISK & CONCERNS

The risks that face the Company are the ones that face the industry today and there are mentioned periodically. These risks that includes are innovation of new mode machines and technology, risk of products which may be outdated if the Company is not able to sold in the market immediately, Change in Government Policy and applicable taxes, strike of workers at site, slow down in its demand due to the slow down in economy etc. Others risks are client concentration risk, competitive risk and financial risk etc.

OVERVIEW

The Company is planning to counter its challenges through focused marketing, tight control on liquidity and margins, cost effective sourcing of materials and services, improved quality of products through process automation & upgrading of sound recording equipments. The Company has also strengthened its presence in Textile industry with improved quality and variety of its products.
