Your Company has diversified into mining and is in the activities of mining of iron ore and trading in minerals.

During the year under review the turnover of your Company was Rs. 573.87 Lacs and profit before tax was Rs. 261.32 lacs

The performance of your subsidiary company SVC Resources FZC, Sharjah, engaged in the business of trading in minerals was remarkable during the year under review. The consolidated turnover of the company was Rs. 3,100.55 Lakhs, while the consolidated net profit before tax was Rs. 454.99 Lakhs.

The Board of Directors and its Team of employees have put in full efforts and performed excellently to sustain profitability of your Company.

BUSINESS SEGMENT

Your Company primarily operates in the business segment of mining and trading of iron ore, white earth, ochre, manganese, laterite etc. As per the management's perspective, the risks and returns from its sales do not materially vary geographically. The mines of your company are located at Dhamki and Dilar in the state of Madhya Pradesh.

Your Company offers its services to customers through best industry practices in mining.

RISK & CONCERNS

It is a well known fact that risk is an integral part of any business. If these risks are properly managed, a company will have ample opportunity to run smoothly and expand its activities. As a matter of fact Enterprise Risk Management (ERM) is a process that covers the entire organisation in which all the functions are involved to identify and assess the various strategic, operational, social and economic risks being faced by the company in its day to day activities and thereafter determine the responses to either mitigate the risk or eliminate the same.

Most of the companies in India now recognise ERM as a critical management issue. This is apparent from the importance assigned to ERM within the organisation and the resources being devoted to building ERM capabilities.

Opportunities

- 1. Rapid domestic growth
- 2. Robust growth in transportation, infrastructure, power capacity addition and packaging
- 3. Diversification into steel production
- 4. Exploration and mining opportunities in India and abroad for extraction and trading of high value minerals

Threats

- 1. Domestic competition from established players
- 2. Change in government policies
- 3. Price volatility
- 4. Trade policy uncertainties
- 5. Environmental concerns
- 6. Cyclic nature of industry

The ever changing business environment necessitates continuous monitoring, evaluation & management of significant risks faced by the organization.

Report on Corporate Governance

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

SVC believes that all its operations and actions must serve the underlying goal of enhancing overall shareholder value, over a sustained period of time.

The corporate governance framework of SVC is based on an effective independent Board, the separation of the Board's supervisory role from the executive management and the constitution of Board Committees, generally comprising a majority of independent/non-executive Directors and chaired by independent/non-executive Directors, to oversee critical areas.

Our Board exercises its fiduciary responsibilities in the widest sense of the term. Our disclosures always seek to attain the best practices in corporate governance. We also endeavor to enhance long-term shareholder value and respect minority rights in all our business decisions.

Our corporate governance philosophy is based on the following principles:

- 1. Satisfy the spirit of the law and not just the letter of the law
- 2. Be transparent and maintain a high degree of disclosure levels
- 3. Make a clear distinction between personal conveniences and corporate resources
- 4. Comply with the laws in all the countries in which the Company operates
- 5. Have a simple and transparent corporate structure driven solely by business needs
- 6. Management is the trustee of the shareholders' capital and not the owner

BOARD OF DIRECTORS

Composition of Directors

At the core of our corporate governance practice is the Board, which oversees how the management serves and protects the long-term interests of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance.

The Board functions either as a full Board or through various committees constituted to oversee specific operational areas.

The constitution of the Board is in conformity with the provisions of Clause 49 of the Listing Agreement of the Stock Exchange. The Board consists of twelve Directors out of which six members are Independent Directors.

The Board of Directors met 7 times on April 20, May 29, July 31, November 12, in the year 2010 and January 31, February 14 and March 23 in the year 2011 during the financial year 2010-2011.
