MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENTS

The Company is engaged in the manufacturing of bottle grade PET Resin. The product is basically used for downstream manufacturing of PET bottles which are normally used in the bottled drinks, beverage, liquor and pharmaceutical sector.

OVERVIEW AND FUTURE OUTLOOK

As the demand for PET Resin is increasing worldwide, the management of the company is putting all its effort to reopen its plant during the current financial year. However, with an increase in manufacturing capacities in various countries, profit margin of PET is likely to remain under pressure. The power requirement of your Company was being met through HFO based Generator. However, due to increase in prices of furnace oil, your Company is planning to run the unit on grid power for which discussions with the West Bengal State Electricity Distribution Company Limited is going on, we hope to get the grid power connection very soon, which will have direct impact on the bottom-line of your Company through cost reduction. Further areas of cost reduction are being identified and techno economic viability is under consideration for a Coal based captive power plant. This will enable the Company to reduce the Power and Fuel cost even further.

OPPORTUNITIES & THREATS

Due to its strength, transparency and lightweight PET bottle industry is growing day by day which provides ample opportunity and scope for our Company. The main threats to our industry are the volatility of prices of raw materials such as PTA and MEG mainly due to unstable PX-ACP in Asian commodity trading. This problem is further complicated with the increase in production capacity of PET resin within the country and abroad.

COMPANY'S PERFORMANCE

Please refer the Directors' Report on performance review.

SEGMENT WISE REPORTING

Your Company operates only in one business segment i.e. PET Resin.

BIFR STATUS

The Company continues to remain under the purview of BIFR, therefore, no provision of interest and consequential charges has been made in the book of accounts in respect of the outstanding loans from banks & financial institutions based on various legal opinions obtained by the company.

INTERNAL CONTROL SYSTEM

The Company has adequate system of internal controls and checks and balances to ensure that its assets are safeguarded and protected against loss from unauthorized use. The strength of these systems is continuously being monitored by the internal audit systems.

RISKS AND CONCERNS

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal endeavour is to maximize returns. The Company continues to take all steps necessary to minimise its expenses through detailed studies and interaction with experts.

HUMAN RESOURCES

The enthusiasm of staff members continued to be high in sustaining positive growth of disbursements and in maintaining healthy recoveries. With the high level of commitment and loyalty by staff members, SPIL is confident to face the challenges of the tougher market conditions.

Human resources are the principal drives of change. They play a key role for the continuous success of business and push the levers that take futuristic businesses to the next level of excellence and achievement. The Company has always attached maximum importance for the development of human resource, the vital asset of the Company. SPIL, for its long journey of success, focuses on individual development and growth in work culture that enables cross-pollination of ideas ensures high performance and remains empowering. The Company is continuously renewing and updating the knowledge and skill of its employees at all levels through training and development. The Company has developed an environment of harmonious and cordial relations with its employees. It is a strong belief of SPIL that respect for human rights represents the foundation of good corporate governance.

FORWARD-LOOKING STATEMENT

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realised. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements.
