MANAGEMENT DISCUSSION & ANALYSIS

Indian Economy has been witnessing a phenomenal growth since last decade. After witnessing a growth rate in excess of 9% for the last three years, the year 2008 -2009 witnessed a retarded growth rate of around 7%. Indian economy witnessed fall in production levels, jobs losses especially in the information technology sector and stock markets also dwindled considerably. However Indian Economy is still holding its ground amidst the current global financial crises and is on the path of revival.

INDUSTRY STRUCTURE AND DEVELOPMENTS :

The key products in consumer durable industry are CTV, Flat Panel LCDs and Plasma, DVD players, refrigerators, Washing machines, air conditioners and micro wave ovens and small appliances. India has witnessed dynamic changes in the consumer electronic industry in the last decade and is fast emerging as the key player in the global television market both as a manufacturer and a consuming nation. In recent years the CTV market in India has changed rapidly and with the up - gradation of technology there has been shift from the conventional CRT technology to Flat panel display television viz : Liquid Crystal Display (LCD) and PDP. The television market has shown a growth of around 15% during the year with growth primarily coming from LCD and PDP segments in value terms. While the CRT television is likely to remain stagnant in the coming years, the flat panel television [mainly LCD] is expected to grow at 30% level for the next few years.

Refrigerator market has also witnessed a boom in last few years and has been growing over 15% level. Consumer preference for higher capacity frost free and energy efficient models are on the rise. The refrigerator industry should do well in the coming years as well.

OPPORTUNITIES AND THREATS :**Opportunities :**

Demand for consumer electronic goods have a very good growth potential in the Indian market for the years to come due to (a) Phenomenal growth of media and entertainment in India and flurry of television channels. (b) Nuclearization of families and changing life styles. (c) Rise in consumer disposable income not only in big cities but even in the tier II & III cities. (d) The rising demand for LCD not only in urban areas but also in semi urban areas. (e) The narrowing gap between conventional TV and flat TV and similarly Flat TV and LCD TV. (f) Changing perception of refrigerator as a utility product rather than a luxury. (g) Electrification in rural areas. (h) Rising consumer aspirations for latest technology models.

Threats :

- (a) Due to the emergence of many market players and stiff competition there is continuous pressure on margins. (b) The cost of advertising, and after sales service are increasing tremendously (c) The focus of consumers is shifting on energy efficient appliances. Providing such appliances at competitive prices is a challenge.

OUTLOOK :

The consumer durable industry is witnessing a phenomenal technology change and consumer demand is shifting from conventional models to latest technology models especially in the television and refrigerator segment. There is a huge growth potential for the consumer goods industry in India and it is one of the booming industry since last few years. Your Company is determined to focus on appropriate product

mix, expanding sales and distribution channel, and after sales service and create a brand image in the mind of consumers to encash on opportunities.

RISKS & CONCERNS :

- (a) Continuing erosions in prices and margins as a result of stiff competition. (b) The impact of global economic slow down is adversely affecting domestic consumer demand. (c) Widening gap in demand for electricity and availability of power and the gestation period of Power Projects and likely drop in government spending on rural electrification program and shortages of electricity supply are major concerns.

FINANCIAL AND OPERATIONAL PERFORMANCE :

The financial highlights for the fiscal 2008 - 2009 are dealt with in the Directors' Report. During the year under review your company has achieved a gross turnover of Rs.1014.073 mn which is 2.84% higher compared with the previous year. This was mainly in the area of LCD - TV. Continued strict credit control measures, & cost reduction activities has impacted reduction in working capital and loans reducing the interest burden & other expenses. In terms of volume turnover of LCD sales has increased by 29.36%, Refrigerators sales has increased by 4.34%, CTV sales has remained the same as compared with the previous year. Your company will continue to focus on increasing the sale of LCD Televisions and improve sales of CTV and Refrigerators in the coming years.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY :

Your Company has appropriate and adequate internal control system to ensure maintenance of proper and accurate accounting records, compliance with applicable laws and regulations etc.

The internal control system is supported by internal audit carried out by professional independent audit firm. The Internal Auditors carry out extensive audits through out the year, across all functional areas & submit reports to the management. The Audit committee of the Board of Directors reviews the findings of Internal Auditors & suggests improvements for strengthening the Internal Control systems on regular basis .

HUMAN RESOURCES :

Your company has maintained a very cordial and healthy atmosphere with the employees at all levels.

Company is conscious in providing equal opportunities to the employees to excel in their work and advance themselves in their carrier depending on their abilities. It commits itself to grow hand-in-hand with our employees, encouraging and aiding them to reach their full potential and improve their standard of living. The total number of employees as on March 31,2009 was 303.

CAUTIONERY STATEMENT :

Statements in this Management Discussion and Analysis describing the Company's objectives projections, estimates and expectations may be treated as 'Forward Looking Statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a down trend in consumer durable industry, significant changes in government policies, laws and political environment in India or abroad and also exchange rate fluctuations, interest and other costs.

CORPORATE GOVERNANCE

Corporate Governance is based on the principles of transparency, accountability, integrity equity, fairness and commitment to the stakeholders. Your company aims at good governance and management practices and believes in fair and transparent business operations in

adherence of philosophy and disclosures standards followed globally by Sharp group of companies. The necessary information as stipulated by clause 49 of the Listing Agreement is incorporated in the present annual report at appropriate places to ensure adequate disclosures.

Towards this end, the information given under this section, the 'Management Discussion and Analysis' and the 'Shareholder Information' together constitute the report on Corporate Governance for the financial year 2008 - 2009.

• COMPOSITION OF THE BOARD :
