The country has experienced good economy during last year. The new ministry in the Centre has declared that there will be no respite in the developmental activity in infrastructure construction in the country. The Company is also getting involved in the massive boom in the housing development industry.

The Company faces competition with competitors both national and foreign, which is part of a healthy economy. An element of risk remains in the business of the Company, which is dependent on the economic and political developments in the country.

Your company is presently busy with two projects. During the financial year, a turnover of Rs. 1031 Lac has been achieved by your Company which falls short of the targeted turnover mainly due to the impediments faced by your Company in carrying out the project works. In Mizoram, non-availability of essential raw-materials locally is the reason for delaying the progress of work. In the Railway Project, the Authorities made considerable delay in handing over the required land for constructing the embankment. However, the loopholes have now been partially plugged and it is expected that the shortfall will be made up in the current year. The works under contracts of (i) Improvement of Berhampore (Chunakhali) – Jalangi Road (taken up prior to this year), (ii) Manderhill-Dumka B.G. Rail Line (taken up prior to this year) and (iii) Rehabilitation and maintenance of Kwalkulh Ngopa-Tuivai Road (taken up prior to this year) as well as (iv) Award money from Northern Railway received during the financial year against earlier completed Balawali bridge over river Ganga and (v) partial award money against Durgapur Expressway Package III & II as per decision of the management as well as on the advice of our counsel, have been considered in the Profit & Loss account under report.

## 5. **Future Prospects :**

- a) Foundation, sub-structure and road work of 2<sup>nd</sup> Vivekananda Bridge.
- b) Railway Bridge near Shahjahanpur in U.P.
- c) Widening and strengthening of certain carriage-ways of National Highways in Rajasthan, U.P., Jammu and Kashmir, Punjab, Himachal Pradesh, Haryana, Karnataka, Tamilnadu and Kerala.
- d) Widening of Terminal Flyover at Mumbai Airport.
- e) Extension work of Circular Railway, Kolkata from Princep Ghat to Majerhat.

## 7. **Arbitration :**

- i) Against the two contracts relating to construction of Durgapur Expressway, your Company has further preferred additional claims on the two jobs to arbitration and the Arbitrators have published their Awards in favour of the Company which have been challenged by the Government of West Bengal, in the Calcutta High Court. However, during the course of hearings in the court, Government of West Bengal has admitted certain claims. Accordingly, a part of the claim money has been considered in the Profit & Loss Account as the management has considered it as income.
- ii) Against the Arbitration Award published in favour of your Company in respect of the work of construction of Intake Pump House etc. for Mejia Thermal Power Plant of DVC in Bankura District of West Bengal, DVC filed a petition before the Calcutta High Court challenging the Award but the same was rejected. As the Award money was not paid, your Company moved an execution petition in the said Court whereupon DVC made another appeal to the Division Bench of the Calcutta High Court. The Division Bench has stayed the execution petition and hearing of the appeal is continuing. On instruction by the Division Bench, DVC deposited 50% of the Award Money in the High Court and the money had been withdrawn by your Company by furnishing a Bank Guarantee. Since the matter remains fluid, management has considered not to account for the money in the Profit & Loss Account for the financial year under review.
- iii) The arbitration proceedings in regard to certain claims of your Company referred to arbitration by Northern Railway in respect of construction of New Double Line Balawali Bridge over river Ganga in Moradabad-Saharanpur Section in Uttar Pradesh, have been concluded and the payment has been received by us in full.

**12. Responsibility Statement u/s 217 (2AA) of the Companies Act, 1956 :**

Your Directors report that –

- i) In preparation of the Annual Accounts of the Company which is a Construction Company, the applicable accounting standards except accounting standard AS-7 – "Accounting for Construction Contracts" had been followed. The accounting policy for accounting the Company's Construction Contracts does not literally follow the percentage completion method as envisaged in AS-7 issued by the Institute of Chartered Accountants of India. The reasons for such departure are as follows :

All the Construction Contracts executed / under execution by the Company are

Item Rate Contracts where specified rates are mentioned for each item of work. The Company raises bills on completion of such items which are not in any way treated as advance/ lumpsum progress payments. Revenue is recognised only on completion of any item which is either certified by the Client or awaiting certification at the year end and for which matching expenses are incurred / brought forward in an accounting year. The above accounting treatment does not materially deviate from that as per percentage completion method and at the same time allows revenue recognition on a more realistic basis.

- ii) The Directors had selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period.
- iii) The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- iv) The Directors had prepared the annual accounts on a going concern basis.

**13. Particulars u/s 217 (1) (e) :**

The particulars required in accordance with the provisions of Section 217 (1) (e) of the Companies Act, 1956, are not set out in this report, as the Company's nature of activities, is execution of works contracts.

**14. Particulars of Employees :**

The particulars required under Section 217 (2A) of the Companies Act, 1956 are not set out in this report, as no employee of the Company is coming under the provisions of the said Section.
