State of Company's Affairs

The Company is in the process of reorganizing and restructuring its businesses with the prime focus on reducing its debt by monetizing its assets and divesting its investments by unlocking its values.

The Company is committed to enhance value for all stakeholders through development of projects without compromising corporate social responsibility.

Future Outlook

COVID-19 pandemic has severely disrupted the economies across the globe. Production and demand downturn has led to massive breakdown of supply chain and logistics. Businesses have suffered huge losses and liquidity crisis is hampering the recovery which is gradually limping back. Investors all over the world are also adopting a very guarded and cautious approach towards making any new investments.

However, compared to other economies, the Indian economy has proved to be a resilient one and is already showing signs of gradual recovery. India is witnessing encouraging signs such as (a) various globally reputed companies showing active interest in making investments in India (b) a number of multinational companies planning to shift their bases from China to India; and (c) considerable foreign direct investments already infused in Indian economy during lockdown.

Looking at those encouraging signs and investors' growing confidence in making investments in India, the Company is optimistic about realizing its asset monetization and divestment plans which have suffered a temporary setback due to various reasons including COVID-19 pandemic's impact.

Impact of COVID-19 on business

"COVID-19 pandemic has severely disrupted business operations of the companies across the globe including the Company due to lockdown and other emergency measures imposed by the government. Accordingly, the business activities of the Company have also been impacted. With the unlocking measures announced, the business activities of the Company have started gradually, however the impact of Covid 19 may still continue in the future. Besides this, on-going litigations, liquidity tightness in the market and project status, have also severely affected the activities of the Company. The Company has evaluated the impact of this pandemic on its business activities and considering current state of affairs of the Company, the management is making efforts to revive the business activities."

Dividend

In view of losses incurred by the Company, your Directors do not recommend dividend for the financial year ended March 31, 2020.

Accordingly, on March 03, 2018, the Company issued legal notice to Reliance Infra Group for breach of the PA and claimed losses, subsequently; Reliance Infra Group issued an Arbitration notice to the Company for breach of warranties under the said PA, which has been strongly contested by the Company, as false and baseless. Further, as intimated earlier on account of default by RNEL and Reliance Infra Group as Promoters of RNEL towards its obligations to pay to RNEL lenders, the security trustee on behalf of the lenders of RNEL invoked the Corporate Guarantee of the Company and RNEL shares pledged by the Company and SKIL Shipyard Holdings Private Limited ('SSHPL'), despite the Company and SSHPL, not being the Promoters of RNEL since January, 2016.
