## 2. Operations

The Company registered a total income of Rs. 105.97 Lacs during the year under review. It is marginally higher by Rs. 3.24 Lacs as compared to income of Rs. 102.73 Lacs in the previous year.

However, the Company has incurred a net loss of Rs. 40.30 Lacs even though it has posted cash profit of Rs. 38.02 Lacs. The political instability in the State of Uttar Pradesh and critical Law & Order situation in the later months of financial year under review impacted adversely on the revenue generation process leading to substantial decline in the revenues in that period. Further, the amusement park at Ayodhya that was commissioned w.e.f. 1<sup>st</sup> January, 2002 had to be temporarily shut down for public as it was requisitioned for stationing of security forces by the State Government. With the improvement in the overall situation, the operations are steadily picking up. Your Directors are optimistic about returns from Amusement Park at Ayodhya as and when the law and order situation returns to normal and the activities of the Park are conducted at full strength.

In order to augment income from other avenues it is proposed to explore more opportunities in diversified areas including trading in merchandise and activity as Tourist Agents.
