Directors' Report

Your Directors have great pleasure in presenting the 21st Annual Report of the Company together with the Audited Accounts for the year ended Mar 31, 2006.

SPEL & Global Competition

The worldwide semiconductor market is gradually improving and cautious investment in incremental capacity additions will keep the market on a course of steady growth during the next few years. Worldwide IC revenue is forecast to reach \$213.86 billion in 2006, a 11 per cent increase from 2005 revenue of \$192.80 billion. During the year 2010 the same is expected to reach \$294.5 billion.

India is now heading to become Semiconductor industry hub as envisaged by the Hon. Finance Minister during his budget speech. Your Company is gearing up towards this to grab the benefits of competition and growth. Your Company feels that Competition is the critical driver of performance and innovation. Competitive advantage stems out of Customer advantage which lies in the value proposition of the Customer. Your Company strives to lure Customers with innovations and the Customer tends to benefit through this healthy innovation. Very clearly it is the utilization of resources that gives one organization greater competitive advantage compared to other organizations.

SPEL Performance during the Year

The performance of your Company for the year has substantially improved over the previous year, with an increase in volume by 31% and revenues by 27%. Your Company also has achieved a higher profitability reflecting the strength of your Company's Managerial and Marketing strategies.

In the direction of your Company's commitment to environmental Policy, India's first environment friendly lead free plating process was inaugurated at the Facility by the Hon. Union Minister of Communications & IT, in Sep 2005.

Towards the end of year under review your Company has secured a Term Loan of Rs.200 Million from Indian Overseas Bank (IOB) for introducing a new package called LMP (Leadless Molded Package). This product has a huge demand as it goes into applications where size, weight and package performance matters. The Equipments for the Project have been ordered and are being installed. After the process and package qualification, the initial orders are expected by Oct 2006. Volume orders from Customers will flow in from Jan 2007. With the wide range of applications in cell phones, desktop PCs, PDA's, notebook computers, automobiles and digital cameras, the Customer base has been and will be growing.

Your Company has strengthened its relationship with its Customers by introducing new packages to meet the increasing market demand. The geographical presence of your Company makes it comfortable to cater to the increasing demand from US & non-US (especially APAC) Customers, who are increasingly interested in large volumes.

During the year your Company applied for the listing of 1,47,19,213 shares issued to SPIC and 5,40,000 shares issued to SPIC Holdings and Investments Limited, in The Bombay Stock Exchange Limited, under the Scheme of Arrangement and Restructuring sanctioned by the Hon. High Court, Chennai on Apr 27, 2005.

Members may be aware that at the 20th Annual General Meeting held on Jul 29, 2005, the Employees Stock Option Scheme has been approved. Accordingly the scheme has been introduced with effect from Apr 1, 2006. Disclosure required under Section 12 of the SEBI (ESOP and ESPS) Guidelines, 1999 is as follows :
