Explanatory Statement under Section 173 of the Companies Act, 1956

Item 6 : To increase the authorised Share capital of the Company.

At the Extra-ordinary General Meeting of the Company held on 13th March 2003 the approval of the shareholders was taken for increasing the authorised share capital of the company from Rs. 20 Crores to Rs. 30 Crores.

Considering the cost escalation in co-generation projects and also to reduce the cost of borrowing steps are being taken for increasing the share capital of the company. To accommodate

the additional increase in the share capital it is proposed to increase the authorized share capital of the company as setout in the resolution for approval of the members.

Memorandum and Articles of Association of the company are also amended to accommodate the increase in Authorised share capital.

Necessary Resolution is placed seeking approval from the shareholders.

None of the Directors is interested in this resolution.

Item 7 : To consider approval received from Government of India on Managerial remuneration.

In the 30th Annual General Meeting held on 26th September 2003 members has approved the remuneration payable to Sri A. Alagappan, Executive Vice Chairman and Sri M. Srinivaasan, Managing Director in various categories like salary, perquisites, commissions etc.

Central Government has given approval for payment of remuneration not exceeding Rs. 11,29,600/- per annum to Sri M. Srinivaasan, Managing Director of the company for five years ending 08-06-2008. Revising the earlier resolution passed on 26th September 2003 salary and perquisites are fixed at Rs. 11,29,600/- per annum payable to Sri M. Srinivaasan, Managing Director as may be decided by the Board of Directors within the over all limits in conformity with the approval of the Central Government.

Sri M. Srinivaasan, Dr. N. Mahalingam, Sri M. Manickam & Sri M. Balasubramaniam are deemed to be interested in this resolution.

Necessary resolution is placed for approval of the members.

Item 8 : To consider increasing the borrowing powers of the company.

Members at the 23rd Annual General Meeting held on 22-09-1995 had approved for increasing the borrowing limits up to Rs. 200 Crores.

Considering the Co-generation project and future modernization activities, it is proposed to increase the borrowing limits to Rs. 300.00 crores under Section 293 (1)(d) of the Companies Act, 1956.

Necessary resolution in this regard authorising the Board of Directors to borrow up to the above limit is placed before the members for approval.

None of the Directors is interested in this resolution.

Review of operations

During the year under review, 2.90 lakh tonnes of sugarcane was crushed at an average recovery of 8.83%. Due to severe drought conditions prevailing the sugarcane crushed and the recovery thereof have been lower. Though the sugar prices ruled at economical levels due to low production the full benefit of the higher prices could not be availed.

The Distillery unit was operated under lease arrangement until recently.

In the current year, the cane planting is better and we expect to crush at much higher level. The implementation of Co-generation project is in progress. The PPA has been signed.

Deposits :

All Fixed Deposits and Cumulative deposits matured and claimed as on 31-3-2005 have been paid. At the end of the financial year 9 deposits amounting to Rs. 2,70,350/- which were due for re-payment remained unclaimed.

Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Out Go :

The particulars required to be included in terms of section 217 (1)(e) of the Company's Act 1956 with regard to conservation of energy, technology absorption, foreign exchange earnings and outgo are given in Annexure - I forming part of this report.

Particulars of Employees :

During the year none of the employees in the company are covered under Section 217(2A) of the Companies Act.

Directors :

Your Director's regret to inform that Sri A. Alagappan, Executive Vice Chairman expired on 5th April 2005. The Board wish to place on record the very valuable services rendered by him during his tenure.

Sri V.K. Swaminathan, Sri M. Manickam & Sri M. Balasubramaniam are liable to retire by rotation at the ensuing Annual General Meeting and are eligible for re-appointment.

Sri S. Rajagopal resigned as director with effect from 31.03.2005 and the Board wish to place on record its appreciation of the valuable services rendered by him.

Auditors :

M/s. P.N. Raghavendra Rao & Co., Chartered Accountants, who were appointed as Auditors at the previous Annual General Meeting hold office till the conclusion of this Annual General Meeting and are eligible for re-appointment.

Reply to Auditor's remarks :

With regard to the auditor's remark we state that

1. Government of Karnataka have been approached for conversion of purchase tax arrears into interest free loan.
2. As per the legal opinion obtained, the interest converted into loan would be accounted as and when they become payable.
3. The Financial Restructuring Package is in final stage and as such the reduction in interest has been given effect to.

INFORMATION PURSUANT TO THE COMPANIES

Annexure - 1

(Disclosure of Particulars in the Report of Board of Directors) Rule, 1988

A) Conservation of Energy

- Energy conservation measures taken : NIL
- Additional investments and proposals, if any, being implemented for reduction of consumption of energy. It has been proposed to take up certain energy conservation measures to bring down the steam consumption in boiling house from 50% to 42-43%, by adopting new steam economy methods.
- Impact of the measures at (a) and (b) above for reduction of energy consumption and consequent impact on the cost of production of goods :
By adopting the above measures, we are expecting minimum of 7-8% reduction in the steam % on cane, in turn, it will reduce our bagasse/fuel consumption. Such saving of bagasse can be utilised during off-

season to run distillery without purchasing any fuel from outside.

- Total energy consumption and energy consumption per unit of production as per Form A of the Annexure in respect of industries specified in the Schedule thereto.

B. Technology absorption

- Efforts made in technology absorption as per Form B of the Annexure.

C. Foreign exchange earnings and outgo :

- Activities relating to exports, initiatives taken to increase exports; development of new export markets for products and services; and export plants: NIL.
- Total foreign exchange used and earned.
Foreign exchange used : NIL
Foreign exchange earned : NIL

Research and development (R & D) - (Process Side) :

1. Specific areas in which R & D carried out by the company:

Cane Plantation under wider row spacing to facilitate mechanical cane cultivation is popularized. 861.25 acres of sugarcane planted under wider row spacing.

2. Benefits derived as result of the above R & D :

- Lesser water consumption for the crop, mechanization in cane cultivation, promotion of more ratoons, increase in yield by 10% and recovery by 0.5% Wider row plantations will also help in preventing attack of White Whooly Aphid.
- Production and supply of Bio-compost fertilizer has been commenced by the factory and the Bio-compost fertilizer is being disbursed to the farmers of the area.
- Application of Bio-compost leads to improvement in soil fertility, helps in withholding the moisture to the greater extent and helps in multiplication of earth worms.

3. Future plan of action :

- To bring more area under early mature and sugar rich varieties.
- To introduce pit method of cane cultivation.
- To implement 1000 Borewell scheme under tie-up arrangement.
- To introduce Drip irrigation system under Borewell irrigation lands in order to increase the cane yield and proper utilization of water to the sugarcane land (Presently from the available water source only one acre of land can be irrigated under flow irrigation).

By introducing the drip irrigation system, the same quantity of water can be extended to 3.00 acres).

- Supplying Trichogramma Parasite Egg cards@ free of cost to the farmers to control Early Shoot Borer attack on sugarcane.
- Supplying insecticides viz., Chlorophyphos to the farmers to control White Whooly Aphid attack on sugarcane at subsidised rate.
- Supplying Pre emergent Chemical Weedicide - immediately after plantation at nominal rate (on pronote basis) to the registered farmers.

4. Expenditure on R & D : Not significant.

Technology absorption, adaptation and innovation (Conservation of Energy):

- Efforts in brief made towards technology absorption and innovation - Introducing DC drives to mills
- Benefits derived as a result of the above efforts - The mills can be driven at the lowest optimum speed which will improve the milling efficiency.
- In case of imported technology (imported during the last 5 years reckoned from the beginning of the financial year), following information may be furnished :
 - Technology imported : NIL
 - Year of import : NIL
 - Has technology been fully absorbed : NIL
 - If not fully absorbed, areas where this has not taken place, reasons therefore and future plans of action : NIL
