PRODUCTION AND SALES

Production during the year was 70.02 lakh kgs. as against 43.38 lakh kgs. in the previous year. The quantity and value of yarn sales during the current year were 71.50 lakh kgs. and Rs.10,077.45 lakhs as against 49.75 lakh kgs. and Rs.6,797.71 lakhs in the previous year. The quantity and value of export sales were 42.26 lakh kgs. and Rs.6,759.21 lakhs as against 31.39 lakh kgs. and Rs.4,775.45 lakhs in the previous year. The increase in production and sales value is mainly due to augmenting additional spinning capacity by job work basis and change in product mix.

MODERNIZATION

During the current year, your Company has acquired and installed 5 numbers TFO machines and one yarn conditioning plant. Five numbers old ring frames of 432 spindles each were replaced by two numbers new ring frames of 1008 spindles each.

DIVIDEND

Your Directors have pleasure in recommending a dividend of 15% on the equity.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

TRADE PROSPECT AND OUTLOOK

As indicated earlier, your Company has been able to increase production and sales. Since the rate of increase in sales realisation is not proportionate to the rate of increase in raw material cost, in spite of increase in sales volume, there is an erosion in the net profit. Further the demand for yarn, both in the domestic market and international market, is not consistent. As the quantity restrictions in the international trade in textile products will come to end by the end of 2004, demand for quality yarn, both in domestic and international market, is likely to increase. Your Company is fully geared to utilize the change in the market condition and your Directors are confident that performance during 2004-05 will be better than in 2003-04.

RETIREMENT OF DIRECTORS

Sri. V. N. Subba Rao and Sri. S. Balakrishna are due to retire by rotation and are eligible for reappointment.
