Explanatory for Item No. 4 (special business)

At present the Company's Shares are listed in Chennai, Ahmedabad, Coimbatore and Mumbai Stock Exchanges. As per the SEBI Regulations the Company can delist its shares from the Stock Exchanges, if the share holders are willing to sanction the same. Our Company has passed a special resolution to delist its shares from Madras and Ahmedabad Stock Exchanges in the Annual General Meeting held on 25.9.2003. Considering the financial implications involved in delisting of shares from the above cited two stock exchanges and also the denial of dematerialisation of Company's shares by CDSL, it is thought prudent on the part of the Company to continue listing in Madras as well as Ahmedabad Stock Exchanges.

The total revenue i.e., sales including other income of the Company has improved by 39.21% and the sales alone has increased by 77% approximately, when compared to the respective figures of the previous year. With the existing conditions of increase in the cost of raw material, Power and Labour, your Company could operate at a operating profit position, showing an increase in operating profit by 227.3% approximately when compared the previous financial year, though it could not earn adequately to cover interest and depreciation, because of inadequacy of working capital owing to non-receipt of necessary rehabilitation package from the Board for Industrial and Financial Reconstruction.

Your Directors are hopeful that the Company will be able to recover the outstanding amount from the Debtors in respect of which legal proceedings have been taken for recovery and hence no provision has been made in the accounts. As regards the interest on unsecured loans from Erstwhile Directors, the lenders have given assent for waiver of interest. Hence no provision has been made in accounts.
