2. REVIEW OF OPERATIONS

During the year under review your company has achieved turnover of Rs.7589 lacs as against Rs. 6705 lacs in the Previous Year, registering a year on year growth of more than 13 %.

The prices of Crude oil, other basic chemicals like Kcl. Sulphur etc and Cast Iron have seen an unprecedented rise in the international market. These have consequential increase in the prices of their derivatives. Major raw materials like Benzene, Furnace Oil, Sulphuric Acid, Potassium Hydroxide Oleum, Cast Iron Powder etc. used by the company are derivatives of above chemicals. This unprecedented raw material price rise trend during last two years has posed major challenge for managing the variable costs. Growing domestic economy has also created pressure on existing raw material suppliers' capacity leading to shortage and price hike besides affecting smooth and continuous availability of several raw materials.

During the beginning of financial year, sudden and sharp appreciation of Indian Rupee against U.S. Dollar has adversely affected rupee realisation on the committed export orders on hand. This has substantially contributed in squeezing out the margins.

Increasing interest rate, curtailment in the procurement credit period, increased inventory level and reduced margin has resulted in increased burden of finance cost. This has substantially impacted the over all performance.

Due to stringent cost control measures, except finance cost, all other overheads recorded improvement as a percentage to sales.

Due to highly competitive market, the escalation in variable cost could not be recovered fully and intimo through price revision. The burden of increased variable cost, adverse impact of exchange rate

fluctuations and increased finance cost out weighed the benefits of cost control measures and severely impacted operating performance of the company. The operations during the year resulted into a loss after tax of Rs. 336 lacs as against the profit after tax of Rs. 23.15 lacs in the previous year.

3. DIVIDEND

Your Directors, considering above, recommend a Dividend of Rs. 1.00 (P.Y. Rs. 1.50) per equity share of Rs.10/- each for the year 2007-08.

The proposed dividend, if approved, will entail an outflow of Rs. 23.93 lacs inclusive of dividend distribution tax.

4. PROJECTS

The Colour Former (CF) II Project continued to be kept on hold due to liquidity constraint arising from last two years margin erosion.

5. OUTLOOK

The turnover is expected to get further boost in the current year on account volume growth as well as due to cost push sale price escalation. The company is facing tough market conditions. The order book position is quite satisfactory. However, the prime concern is increasing raw material prices and increasing interest rate.

All efforts are put in towards mitigating the impact of these adverse factors, by providing for escalation clause for main raw material price increase in the price contracts and price commitments are now made for shorter period only. A focussed strategy has been initiated to optimise the cost structure and improve margin.

The Company is striving to control costs at every level to improve the operating efficiency which alongwith the increased operating level and up ward revision of product prices is expected to mitigate and neutralise the negative impact of the rising costs.

Unaudited estimated turnover for the first quarter of 2008-09 was at Rs. 2020 lacs (P.Y. Rs. 1667 lacs) and the Profit / (Loss) after Tax was at Rs. 43 lacs (P.Y. Rs. (112) lacs).

6. RIGHT ISSUE

The proposed right issue of 71,59,079 Equity shares of Rs. 10/- each at par on right basis to existing equity shareholder in the ratio of 7 right equity shares for every 2 existing equity shares by the company was approved by the Extra Ordinary General Meeting held on 22nd January, 2008. The draft letter of offer has been filed with the Bombay Stock Exchange (BSE) and Securities and Exchange Board of India (SEBI). BSE has granted its In-principle approval of draft letter of offer and listing. SEBI has sought certain clarification which has been submitted. Subject to SEBI and all other statutory clearances the Letter of Offer, will be despatched some time in the September, 2008. The Promoters have already brought in an amount of Rs. 350 lacs by way of unsecured loan which will be adjusted towards their entitlement and subscription to unsubscribed portion, if any, by the public shareholders.

7. EXPORTS

Your Company is having status of a "TWO STAR EXPORT HOUSE" granted by Ministry of Commerce, Government of India.

Aggressive marketing strategy along with thrust on high value products has resulted in escalating the exports of your company to a new peak. Exports during the year were Rs. 6583 Lacs compared to Rs. 5675 Lacs in the previous year, registering an increase of 16%.

Exports constituted more than 89% of the overall sales (excluding other income). Company's Exports are well diversified in terms of product range as well as the Countries of Export.

8. EXPORT ORIENTED UNIT (EOU)

Your Company has obtained renewal of EOU Registration for one of its plant from the Development Commissioner, SEEPZ Special Economic Zone, which will provide several operating and fiscal benefits.

9. ISO CERTIFICATION

Your Company has been granted renewed certification as per ISO 9001:2000 by the certifying body Registro Italiano Navele India Private Limited (RINA) for the development and manufacture of Chemical Intermediates.
