Further, the turnover of the Company has also increased from Rs. 2,876.77 Lacs in the previous year to Rs. 3,190.50 Lacs in the current year, thus registering a growth of 10.91%. Consequentially, the gross profit of your Company has also increased from Rs. 442.05 Lacs in the previous year to Rs. 521.88 Lacs in the current year. The above increase has enabled your Company to curtail its losses considerably from Rs. 202.17 Lacs in the previous year to Rs. 165.00 Lacs in the current year. However, despite the above factors, your Company could not register any profits in the current year due to the recessionary trend still prevailing in the Newsprint Industry, increased interest burden and depreciation. However, your Company is already adapted to operate in recessionary situations and is evaluating and implementing strategies to sustain its growth both in terms of production and profitability.

MADHYADESH PAPERS LIMITED**STATUS OF PLANT UPGRADATION :**

As envisaged earlier, the said facilities are operating successfully and are enabling the use of cheaper raw material for production of better quality of Newsprint.

The Co-generation Power Plant is also operating successfully and is ensuring supply of uninterrupted power & steam to the Paper Plant at minimal cost. The continuity of power has aided the Company in increasing its production capacity and consequentially bringing down its losses to a great extent.

FUTURE OUTLOOK :

The Hot Dispersion and the two stage De-inking facility which have enabled the use of cheaper raw material and have also brought about improvement in the product quality are ensuring growth and competitiveness of the Company, despite the recessionary environment in which it operates.

The Co-generation Power Plant is also contributing to the growth and prosperity of the Company by providing uninterrupted power and steam at reduced cost. The combined effect of these facilities will help the Company in registering growth and profitability in the years to come.
