### **FUTURE PLANS :**

The setting up of new project in the state of Gujarat for production of roofing sheets is in progress.

The four windmills will be further commissioned during the year.

### **MANAGEMENT DISCUSSION AND ANALYSIS:**

The Indian economy recorded a GDP growth at 9.2% in the year 2006-07. This growth was achieved due to the industry and services sector which grew at the rate of 10% and 11% respectively.

### **INDUSTRY STRUCTURE AND DEVELOPMENT**

**Your company is mainly engaged in the business of production of cement roofing products.**

The asbestos cement industry is more than 70 years old industry in India and it is currently growing at the rate of around 15%. This high industry growth has resulted in additional capacities and new players entering the market. Currently there are about 16-17 players in the industry throughout the country.

Asbestos cement products are having a continuous demand especially from the rural sector and it is on the rise every year. The asbestos products are user friendly on account of its affordable cost, corrosion resistance and weather and fire proof nature.

# SAHYADRI INDUSTRIES LIMITED

## OPPORTUNITIES AND THREATS :

The Cement roofing sheets have an ever increasing demand in the rural sector and a good monsoon and overall economic growth may give further boost to the rural economy leading to an upward revision in the demand.

The additional capacity installation and entrants of new players in the industry may put further pressure on the margins of your company.

## OUTLOOK:

Fibre Cement sheet is the main product of the company and constitutes a major source of the total revenue of your company.

Fibre Cement sheet is predominantly used for roofing of industrial sheds, warehouses, residential houses. It is the most cost effective roofing material available in the market. In the cement roofing industry your company is having strong brand image with the name "Swastik" in the market. Your company is having plants set up in the state of Maharashtra and Tamilnadu.

## RISKS AND CONCERNS

There has been sudden rise in the prices of major inputs for sheeting like cement which has resulted an increase in input cost and pressure on the margins. Any further increase may have further impact on the margins.

There has been a malafide campaign against asbestos from certain sectors which has given totally erroneous information to the general public and decision makers. There has been no major impact on demand up to now on account of this malafide campaign. The industry associations are making their best efforts to bring the real situation before the public at large.

## FINANCIAL PERFORMANCE :

The sales performance of your company was satisfactory and met the expectation but throughout the year there has been a price pressure. However your company is making its best efforts to maintain the margins by adhering to the strict control and vigilance over the cost on various fronts. Your Company is expected to perform and achieve much better results in coming years.
