MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

On behalf of the Board of Directors, I have pleasure in welcoming you all today to the 22nd Annual General Meeting of your Company.

We are undergoing a difficult phase with a volatile market situation and some slowing down in the Industry. This has led to reduction of economic growth curve. In the wake of the India as well as global financial meltdown, it was hard for businesses to raise resources and maintain the high trend growth rate of the last few years, especially for Infrastructure Industry.

Performance Review:

India is also affected by the financial crises all over the world. Almost every sectors were affected by the same specially Infrastructure Sector is affected badly. Due to which the performance of the company has been reduced.

During the year under review, Revenue and Net Loss for the year was Rs. 387.27 Lacs and Rs. (1949.17) Lacs as compared to the previous year Rs.678.95 Lacs and Rs.(24871.03) Lacs.

The accumulated loss of the Company as on 31.03.2013 is more than 100% of its net worth during the year and immediately preceding the financial year and as such falls within the definition of "sick industrial Company" under section 46(AA) (i) of the Companies (Second Amendment) Act, 2002. The Net Worth of the company had also been eroded during the financial year 2011-12 itself resulting, the Company had become a sick industrial company within the meaning of section 3(1)(o) of the Sick Industrial Companies (Special Provisions) Act, 1985.

The company has made a reference during the financial year 2012-13 to the "Board for Industrial & Financial Reconstruction" under section 15(1) of Sick Industrial Companies (Special Provisions) Act 1985 however the same reference has been declined by BIFR.

Presently the management is trying their best to revive the company.

Management Review:

The present directors are having adequate knowledge and experience to run the Company more professionally and strategically. In order to leverage their knowledge and vide experience in the Infrastructure sector, Directors are trying their best for getting hiring projects in various parts of the Country.

During the previous year 2011-12 the company has taken over the **saw pipe division of Sancia Infra Global Private Limited** with its full assets and liabilities on a going concern basis however the same project is not take-off till date due to lack of working capital.

Corporate Governance

As such we have adopted the Group's Corporate Governance Practices and Code of Conduct. These guidelines prescribe a set of systems, processes and principles that conform to the best global standards, and are aimed at promoting the interests of all our stakeholders.

Commitments

Powered by the experience and expertise of the Sancia Global group in project management, we will seek to achieve the highest performance standards in the industry.

I am Grateful to the Board of Directors for their unwavering support and guidance. I also take this opportunity to express my gratitude to all our shareowners, who have reposed trust in us and extended their constant support.
