Explanatory Statement

(Pursuant to the provisions of Section 173(2) of the Companies Act, 1956)

Item No. 5

This resolution relates to a proposal by the Company to issue, offer and allot Equity Shares to Promoter Group for an aggregate face value of Equity Shares of upto 80% of the expanded paid up capital of the Company.

Since the Company has a proposal to issue shares to Non Resident Indians / Banks/ Foreign Collaborators and their associates etc., by conversion of share application money brought in by such persons towards the equity of the Cement Project, the same will result into dilution of holding of the promoter group in the Company. For stable, efficient management of the affairs of the Company and achievement of long term objectives, it is considered in the interests of all concerned that the shareholding of the promoter group be increased by way of issue of equity shares on Preferential Basis for the share application money brought in by them also towards the equity of the Cement Project.

It is proposed to issue Equity Shares at a price to be arrived at as per the existing guidelines issued by Securities and Exchange Board of India or at par (in case the price arrived at as per guidelines of SEBI is below par) or at any other price which may be recommended or prescribed by the Securities and Exchange Board of India (SEBI) or by the Government of India (GOI) or by any other authority and in consultation with Financial Institutions, if required, and which may be considered fair and reasonable by the Board.

The consent of the Shareholders is being sought pursuant to the provisions of Section 81(1-A) and other applicable provisions of the Companies Act, 1956. Section 81 of the Companies Act, 1956 provides, inter alia, that when it is proposed to increase the issued capital of the Company by allotment of further shares, such turther shares shall be offered to the existing shareholders of the Company in the manner laid down in Section 81 unless the shareholders in a General Meeting decide otherwise.

Shri Ram Sharan Sanghi, Chairman, Shri Ravi Sanghi, Managing Director, Shri Anand Prakash Sanghi, Shri Sudhir Sanghi and Shri Gireesh Sanghi, Directors.

are members of the Promoter Group and accordingly may be deemed to be concerned or interested in the resolution as it relates to issue of securities to the Promoter Group.

Item No. 6 :

According to the provisions of Section 81(1A) of the Companies Act, 1956 where a Company proposes to increase the subscribed capital at any time after the expiry of two years from the formation of the Company or at any time after the expiry of one year from the allotment of shares made for the first time, such shares shall be offered to the existing shareholders of the Company and in case the members by way of a special resolution passed at a general meeting decide otherwise then such shares can be offered to the public or to any such other person(s).

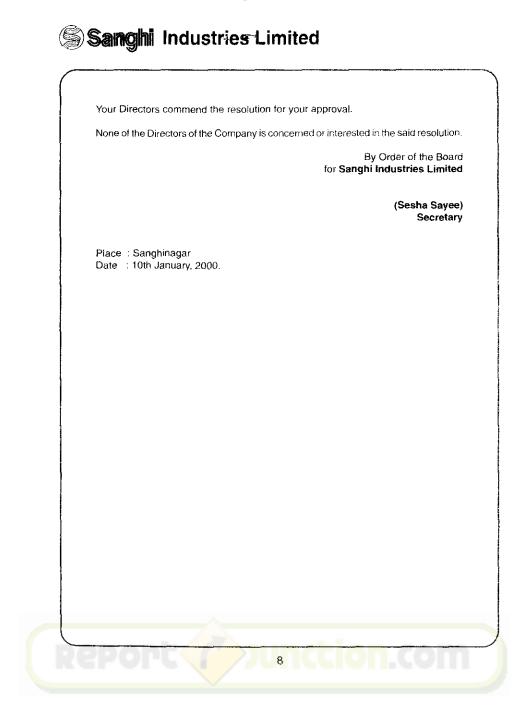

The Company requires large amount of funds to part finance the cost of the Cement Plant and earlier has taken some amounts from Non Resident Indians / OCBs/ Banks/Foreign Collaborators and their associates towards the equity of the Cement Project on Private Placement basis and now proposes to issue shares on Preferential basis to convert the share application money earlier contributed by the various categories of investors into equity capital.

Taking into account the stipulation of the Banks and Financial Institutions to convert the said share application money into equity at the earliest, your Directors propose to allot shares for the share application money already brought in towards the equity of the Cement Project, out of which 65,89,600 equity shares would be allotted to M/s. Fuller International Inc, USA, Foreign Collaborator and 91,00,400 equity shares would be allotted to M/s. Fuller (KCP) India Limited (associate of M/s. Fuller International Inc, USA), 6,30,900 equity shares would be allotted to the Friends of the Promoters, 9,00,000 equity shares would be allotted to M/s. Catholic Syrian Bank and 46,54,270, equity shares would be allotted to some Non Resident Indians and Overseas Body Corporates aggregating to 2,18,75,170 Equity Shares of Rs.10/- each.

The Company has also obtained the approval of Reserve Bank of India for allotment of shares to the Foreign Collaborators and Non Resident Indians / OCBs.

The Promoters are also making efforts to bring in additional funds aggregating to a maximum of Rs. 45 crores towards the equity of the Cement Project (as stipulated by the Banks and Financial Institutions) from their NRI friends etc., and in case the said funds are received by the Company within the validity period of this resolution, then for such amounts brought in also the Board of Directors would be allotting the shares subject to the approval of regulatory authorities.

Your Directors report that the financial results achieved by your company during the year under review are satisfactory despite slowing down of industrial economy, slackness in off take and reduced margins in addition to the spiralling costs.

Status of Cement Plant

As you are aware, your company has received all the required approvals with regard to the Cement Plant and your Directors are confident that the financial closure will be achieved shortly and that the Commercial production will commence in the year 2000.

Dividend

Since the Directors of the Company have decided to plough back the profits generated by the Company, no dividend payment has been recommended for the current year under review.

Directorate

Shri Anand Prakash Sanghi and Shri T. M. Jagan Mohan, Directors retire by rotation and are eligible for re-appointment.
