DIRECTORS REPORT

To
THE MEMBERS

Your Directors have pleasure in presenting their nineteenth Annual Report on the business and operations of the Company together with the audited Statement of Accounts for the year ended 31st March 2011.

OPERATIONS:

Your Company had a very bad period during the year ended 31st March 2011. Entire process of cultivation of Button Mushrooms was halted in last week of December 2010 due to break down of the Chiller. This was caused due to frequent starts and stops of machines due to regular load shedding and restrictions on base demand by Tamil Nadu Electricity Generation and Distribution Company Ltd.

Your company faced a major labour unrest immediately after the stoppage of process of growing mushrooms. Company's workers went on illegal strike refusing the partial lay-off to some workers who had no work. The strike lasted for 84 days. After lot of persuasions by management and conciliations at the office of Joint Commissioner of Labour on 2nd of May 2011, partial strength of workers reported to work.

Due to stoppage of production company has incurred a huge loss, factory is crippled with electricity disconnection, and pending repair of its machinery, most importantly its Chillers and peripherals.

Unavailability of un-interrupted electricity, HR and IR hurdles have made a big impact on the thinking of management; these aspects shall be strengthened before restarting production activities. The proposal of continuing mushrooms business needs to be rethought in the existing location.

Management has left no Government door un-knocked to seek relief from electricity restrictions but so far in vein. Your company produces fresh button mushrooms round the year in controlled atmospheric conditions. The process is biological and continuous in nature. Mushroom cultivation is high-tech horticulture and needs uninterrupted electricity supply. Any interruption results in loss of control over process parameters with end result as total loss of crop performance.

Your Company has produced 324.06 Mts of Fresh Mushrooms and sold 319.80 Mts of out of the same, and thereby recorded a turnover of Rs. 342.50 lacs. The summary of the financial results for the year ending 31st March 2011 is presented here in below. Primarily company has focused on adjusting its operations to the available electricity base demand and units' viz-a-viz controlling expenditure.
