

I NNOVATION

" Innovation distinguishes between a leader and a follower "

- Steve Jobs

Dear Fellow Shareholders,

It is a matter of immense pleasure for me as I take this opportunity to greet all of you at the end of another action packed year.

We have rested upon taking the lane of innovation contrasting to the tried and tested conventional business ideologies. The most successful businesses are built upon the creed which believes in helping people iron out their problems. Sustainability comes from the approach toward inclusive growth where the business serves to all parts of the society. We firmly believe that digital connectivity can be the solution to the problems of Indian citizens and accordingly we have initiated two different businesses focused on digitalization:

- **Foreseegame.com** - an innovative Digital Media for Consumer Engagement
- **Sastasundar.com**- an innovative Digital Pharmacy and Healthcare Store

Our entire focus is to raise a sustainable business and hereon we believe to witness growth by every quarter. The businesses are in the infant stage and therefore will take some time to exhibit positive cash flow and dividend payout. I am sure that this short term risk will prove beneficial for the long run.

From the Chairman's Desk

Finally, I would like to conclude by extending my heartfelt gratitude towards my colleagues on the Board, as it is their vision and foresight which has helped Microsec Enterprises reach where it is today. I would also like to thank all the stakeholders like our customers, business associates, bankers, employees and vendors for their extensive contribution towards the enterprises' growth.

On behalf of the entire Company and its leadership team, I want to thank all the shareholders for their much valuable co-operation. I look forward to your continued support, as your Company embarks on the next phase of its growth journey.
