### Financial Review

Scooters India Limited, a leading Public Sector Automobile Company, has reported an increase in its financial and operating performance during the period under review i.e. financial year 2005-06.

Gross income of the company has increased by 17.41% from Rs. 149.58 crores previous year to Rs. 175.62 crores during 2005-06. Net profit of the year 2005-06 stood at 155.99 lakhs as compared to Rs. 139.30 lakhs thus registering an increase of 12%.

### Resources and Liquidity:

The Company has raised no fresh fund during the period under review. The Company is repaying all its dues in time, however, the liquidity position continues to be under strain.

### Market Scenario:

#### A. Industry structure & developments :

1. Three wheeler industry has grown by 16.91% during the year and is at 3,60,000 numbers of vehicles.
2. Considering the impressive growth witnessed in 3-wheeler segment, new players are expected to join industry alongwith existing several national level players and few smaller players operating at local level. This will lead to further increase in the competition.
3. Vehicles run on non-conventional energy sources will get prominence due to environmental issues, especially in metros and bigger cities.

#### B. Opportunities & threats :

##### B.1. Opportunities :

1. Government's continued focus on infrastructure development and healthy growth in economy in the country augurs well for the transport industry also.
2. Government's policy on promoting use of CNG/LPG Vehicles in metros and bigger cities through various legislation provides new market segment for passenger application.

**B.2 Threats :**

1. Introduction of smaller 4-wheeler like Tata ACE and the intention of other national level players like Piaggio, Bajaj Auto etc. to enter this segment is a threat to 3-wheeler industry.
2. Ever increasing diesel/petrol prices and restriction on issuing of permits by RTOs will continue to pose problem for 3-wheeler industry.

**C. Segment-Wise or Product-Wise Performance**

- 1) All the six regions of the company have achieved growth inspite of very stiff competition.
- 2) Concerted efforts are being made to improve our presence in Tamil Nadu, Andhra Pradesh, Karnataka, Maharashtra, Assam, West Bengal and Orissa.

**D. Outlook**

- 1) 3-Wheeler industry shall continue to grow and so the competition which will put more pressure on the margins.
- 2) Emission and safety norms are getting continuously upgraded and stricter norms are expected to be enforced in couple of years from now. This will require technological up-gradation of existing products and introduction of new products to meet this new requirement.

**Quality:**

Your company has commissioned a new paint shop in order to facilitate superior paint finished vehicle. Your company is an ISO 9001 and ISO 14001 Company. The company has taken several initiatives to ensure that the best quality products are made available to its customers.

**Challenges faced by the Company:**

- 1) The need for consistency in quality demands for enhanced investment in R & D and technical upgradation of plant & machinery. Existing over-lived plant & machinery is a cause of concern.
- 2) Manpower cost in the company is high and so is the average age profile of the employees. While your company needs to reduce its manpower cost at the same time it also needs to infuse fresh blood.

**Strategic Road Map:**

With the focus so far having been on the urban market, the company is now developing products to suit rural market. Given the present policy it is now likely that emission norms for vehicles are going to be more and more stringent. In view of the above your company has taken up simultaneous projects to keep itself ready with the products that are not only environment friendly but are also economical and sturdy.

Your company would be required to make substantial expenditure on R&D activity to keep pace with the market requirements. Your company has taken up the exercise of revamping its marketing setup.

**8. EXPENDITURE ON ADVERTISEMENT AND PUBLICITY :**

An expenditure of Rs. 94.19 lakhs was incurred on account of advertisement and publicity during the year.

**9. WAYS AND MEANS :**

The ways and means position of the Company was by and large satisfactory.

**10. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED FROM 1.4.2006 TO DATE :**

No material change and commitments have been made by the company from 1-04-06 to date that has an adverse effect on the financial position of the company.

**11. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO :**

Your company is an ISO 9001 : 2000 and ISO 14001 certified. While, ISO-9001 : 2000 focuses on quality management system, ISO - 14001 is applicable to Environment Management Systems to further its objective of eco-friendly development and production of its products.

Information in accordance with provisions of Section 217 (1) (e) of the Companies Act, 1956 regarding the conservation of energy, technology absorption and foreign exchange earnings and outflow are given in Annexure - I to this report.
