### REVIEW OF OPERATIONS:

COVID-19 is the most tumultuous, most catastrophic and the most defining epoch of our lifetime. With no precedence, it has rattled lives and economies across the world, and India has not been spared either. The year that started with weak demand owing to slow-down in real estate, industrial and infrastructure segments along with liquidity squeeze, ended with the global economy coming to an indeterminate standstill following the outbreak of COVID-19. Regardless of the challenging economic environment your company still managed to do best.
